As a prospective student, you are encouraged to review this catalog prior to signing an enrollment agreement. You are also encouraged to review the School Performance Fact Sheet, which must be provided to you prior to signing an enrollment agreement. All classes shall be held at 15141 Whittier Blvd., Suite 420, Whittier, CA 90703 and/or 3407 W. 6th St., Suite 614, Los Angeles, CA 90020.

**Approval Disclosure Statement**

ATI College is a private institution approved to operate by the California Bureau for Private Postsecondary Education. Approval to operate means the institution is compliance with the minimum standards contained in the California Private Postsecondary Education Act of 2009 (as amended) and Division 7.5 of Title 5 of the California Code of Regulations. The Bureau can be reached at P.O. Box 980818, West Sacramento, CA 95798-0818 or 1747 North Market, Suite 225, Sacramento, California 95834; www.bppe.ca.gov; Phone 916-431-6959; Toll Free Phone 888-370-7589; Fax 916-263-1897.

ATI College is institutionally accredited by the Accrediting Commission of Career Schools and Colleges (2101 Wilson Boulevard, Suite 302, Arlington, Virginia 22201), a nationally recognized accrediting agency since 2002.

ATI College is authorized under federal law (U.S. Immigration and Customs Enforcement, Student and Exchange Visitor Program: SEVP MS 5600, DHS/ICE - 500 12th Street, SW, Washington, D.C. 20598-5600) to admin non-immigrant alien students since 2003.

ATI College is approved to participate in student financial assistance programs authorized by Title IV of the Higher Education Act of 1965 by the U.S. Department of Education (400 Maryland Avenue, S.W. Washington, DC 20202-5140) since 2004.

ATI College does not have a pending petition in bankruptcy, is not operating as a debtor in possession, has not filed a petition within the preceding five years, and has not had a petition in bankruptcy filed against it within the preceding five years that resulted in reorganization under Chapter 11 of the United States Bankruptcy Code (11 U.S.C. Sec. 1101 et seq.).

**Admissions Policy & Requirements**

The school is accepting applicants for admissions to certificate programs as regular student if following criteria has been met:

- Individuals with a high school diploma, GED, or college degree are eligible to apply. Each applicant must take an entrance (Wonderlic's basic skills test) exam to enter the program of study at this college. Passing score for the Wonderlic's basic
skills tests are as follows: Quantitative score of 210 or higher & Verbal score of 200 or higher.

The school is accepting applicants for admissions to degree program as regular student if following criteria has been met:
   ✓ Wonderlic (BST) minimum passing score of Verbal 240, Quantitative: 280, Total Overall Minimum Score of 520
   ✓ In-person interview with the Director of Education
   ✓ Submit a personal statement
   ✓ Submit transcripts and GPA from previous educational experiences
   ✓ Pass a criminal background check
   ✓ Meet minimum physical requirements

**Admissions Procedure**

✓ Inquiring applicant is scheduled to visit the school.
✓ Inquiring applicant must have a personal interview with an admission representative.
✓ While visiting the school applicant receives a tour of the campus, completes an application & admissions representative explains the steps for enrollment requirements, receives an overview of the programs for which student is qualified.
✓ Inquiring applicant is scheduled for entrance examination.
✓ Upon making formal application to school, applicant will meet with financial officer to determine financial aide eligibility.
✓ Applicant attends program orientation prior to first day of lecture.

**International Students Admissions Policy**

ATI College is authorized under federal law to admit non-immigrant alien students. Visa services are not provided. All international applicants to ATI College must meet the same admissions standards as all other students. Additionally, those international students demonstrating competence in the English language by one of the following standards, may not be required to take the English as a Secondary Language (ESL) program at this institution: 1) graduation from a secondary or a postsecondary institution whose primary language of instruction was English, 2) proof of successful completion of a minimum of six months (two quarters) of postsecondary coursework at an accredited institution in which English was the language of instruction. All instructions at ATI College will be conducted in English.

- Thanksgiving Day & Friday after Thanksgiving (Nov)
- Christmas Eve & Day (Dec)

**Grievance Procedure**

In the event, a student has a grievance, which cannot be resolved to his/her satisfaction with the student’s immediate instructor; the student is to make his/her grievance known to the Institution’s Director or in his/her absence to the Administrative Assistant, at 15141 Whittier Blvd., Suite 420, Whittier, CA 90603 (Tel. 562-864-0506). It is strongly recommended that all grievances be presented in writing. Student Services Department will also accept oral grievances. However, if the issue still is unresolved, a student or any member of the public may file a complaint with the Bureau for Private Postsecondary Education by calling (888) 370-7589 toll-free or by completing a complaint form, which can be obtained on the bureau’s internet web site www.bppe.ca.gov.

Any questions a student or any member of the public may have regarding this catalog that have not been satisfactorily answered by the institution may be directed to the Bureau for Private Postsecondary Education at 1747 N. Market Blvd., Suite 225, Sacramento, CA 95834; PO Box 980818, West Sacramento, CA 95798-0818; www.bppe.ca.gov; Tel. (888) 370-7589 or (916) 574-8900; Fax. (916) 263-1897.

Schools accredited by the Accrediting Commission of Career schools and Colleges must have a procedure and operational plan for handling student complaints. If a student does not feel that the school has adequately addressed a complaint or concern, the student may consider contacting the Accrediting Commission. All complaints considered by the Commission must be in written form, with permission from the complaint(s) for the Commission to forward a copy of the complaint to the school for a response. The complainant(s) will be kept informed as to the status of the complaint as well as the final resolution by the Commission. Student may direct all inquiries to:

**Accrediting Commission of Career Schools and Colleges**

2101 Wilson Boulevard, Suite 302
Arlington, VA 22201
Website: www.acsc.org
Phone: (703) 247-4212

A copy of the Commission’s complaint form is available at the school and may be obtained by contacting the admissions department at (562)864-0506.

**Disclosure and Retention of Student Records (FERPA)**

Adult students, parents of minor students, and parents of tax dependent students, have the right to inspect, review, and challenge information contained in the institution’s student records. However, a staff member must be present during the process to provide clarification and/or answers to related questions raised during the review of the student’s file. Educational records are defined as files, materials, and documents that contain information directly related to the student's period of enrollment that are maintained by the institution. ATI College will keep these records for five (5) years from the last day of attendance. After this period, all records may be destroyed. The students are not entitled to inspect the financial records of their parents. Written consent from the student and/or parents is required before educational records may be disclosed to any party with the exception of accrediting commission or governmental agencies so authorized by law. The complete and accurate records of all of the following information shall be available: (a) The educational programs offered by the institution and the curriculum for each; (b) The names and addresses of the members of the institution's faculty and records of the educational qualifications of each member of the faculty; (c) Any other records required to be maintained by this chapter, including, but not limited to, records maintained pursuant to Article 16 (commencing with Section 94928).

**Notification of Rights under FERPA for Postsecondary Institutions**

The Family Educational Rights and Privacy Act (FERPA) affords eligible students certain rights with respect to their education records. (An "eligible student" under FERPA is a student who is 18 years of age or older or who attends a postsecondary institution.) These rights include:

1. The right to inspect and review the student’s education records within 45 days after the day ATI College receives a request for access. A student should submit to the registrar, dean, head of the academic department, or other appropriate official, a written request that identifies the record(s) the student wishes to inspect. The school official will make arrangements for access and notify the student of the time and place where the records may be inspected. If the records are not maintained by the school official to whom the request was submitted, that official shall advise the student of the correct official to whom the request should be addressed.

2. The right to request the amendment of the student's education records that the student believes are inaccurate, misleading, or otherwise in violation of the student's privacy rights under FERPA. A student who wishes to ask the
school to amend a record should write the school official responsible for the record, clearly identify the part of the record the student wants changed, and specify why it should be changed. If the school decides not to amend the record as requested, the school will notify the student in writing of the decision and the student's right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the student when notified of the right to a hearing.

3. The right to provide written consent before the university discloses personally identifiable information (PII) from the student's education records, except to the extent that FERPA authorizes disclosure without consent. The school discloses education records without a student's prior written consent under the FERPA exception for disclosure to school officials with legitimate educational interests. A school official is a person employed by ATI College in an administrative, supervisory, academic, research, or support staff position (including law enforcement unit personnel and health staff); a person serving on the board of trustees; or a student serving on an official committee, such as a disciplinary or grievance committee. A school official also may include a volunteer or contractor outside of ATI College who performs an institutional service of function for which the school would otherwise use its own employees and who is under the direct control of the school with respect to the use and maintenance of PII from education records, such as an attorney, auditor, or collection agent or a student volunteering to assist another school official in performing his or her tasks. A school official has a legitimate educational interest if the official needs to review an education record in order to fulfill his or her professional responsibilities ATI College.

4. The right to file a complaint with the U.S. Department of Education concerning alleged failures by ATI College to comply with the requirements of FERPA. The name and address of the Office that administers FERPA is:
   - Family Policy Compliance Office
   - U.S. Department of Education
   - 400 Maryland Avenue, SW Washington, DC
   - 20202

FERPA permits the disclosure of PII from students' education records, without consent of the student, if the disclosure meets certain conditions found in §99.31 of the FERPA regulations. Except for disclosures to school officials, disclosures related to some judicial orders or lawfully issued subpoenas, disclosures of directory information, and disclosures to the student, §99.32 of FERPA regulations requires the institution to record the disclosure. Eligible students have a right to inspect and review the record of disclosures. A postsecondary institution may disclose PII from the education records without obtaining prior written consent of the student-

- To other school officials, including teachers, within ATI College whom the school has determined to have legitimate educational interests. This includes contractors, consultants, volunteers, or other parties to whom the school has outsourced institutional services or functions, provided that the conditions listed in §99.31(a)(l)(i)(B)(J)-(a)(l)(i)(B)(2) are met. (§99.31(a)(l)) the student's enrollment or transfer, subject to the requirements of §99.34. (§99.31(a)(2))
- To authorized representatives of the U.S. Comptroller General, the U.S. Attorney General, the U.S. Secretary of Education, or State and local educational authorities, such as a State postsecondary authority that is responsible for supervising the university's State-supported education programs. Disclosures under this provision may be made, subject to the requirements of §99.35, in connection with an audit or evaluation of Federal- or State-supported education programs, or for the enforcement of or compliance with Federal legal requirements that relate to those programs. These entities may make further disclosures of PII to outside entities that are designated by them as their authorized representatives to conduct any audit, evaluation, or enforcement or compliance activity on their behalf. (§§99.31(a)(3) and 99.35)
- In connection with financial aid for which the student has applied or which the student has received, if the information is necessary to determine eligibility for the aid, determine the amount of the aid, determine the conditions of the aid, or enforce the terms and conditions of the aid. (§99.31(a)(4))
- To organizations conducting studies for, or on behalf of, the school, in order to: (a) develop, validate, or administer predictive tests; (b) administer student aid programs; or (c) improve instruction. (§99.31(a)(6))
- To accrediting organizations to carry out their accrediting functions. (§99.31(a)(7))
- To parents of an eligible student if the student is a dependent for IRS tax purposes. (§99.31(a)(8))
- To comply with a judicial order or lawfully issued subpoena. (§99.31(a)(9))
- To appropriate officials in connection with a health or safety emergency, subject to §99.36. (§99.31(a)(10))
- Information the school has designated as "directory information" under §99.37. (§99.31(a)(II))
- To a victim of an alleged perpetrator of a crime of violence or a non-forcible sex offense, subject to the requirements of §99.39. The disclosure may only include the final results of the disciplinary proceeding with respect to that alleged crime or offense, regardless of the finding. (§99.31(a)(13))
- To the general public, the final results of a disciplinary proceeding, subject to the requirements of §99.39, if the school determines the student is an alleged perpetrator of a crime of violence or non-forcible sex offense and the
student has committed a violation of the school's rules or policies with respect to the allegation made against him or her. (§99.31(a)(14))

- To parents of a student regarding the student's violation of any Federal, State, or local law, or of any rule or policy of the school, governing the use or possession of alcohol or a controlled substance if the school determines the student committed a disciplinary violation and the student is under the age of 21. (§99.31(a)(15))

**Facilities**

The ATI main campus is located at 15141 Whittier Blvd., Suite 420, Whittier, CA 90603. Conveniently located at the corner of Whittier Blvd. and Colima Road, Whittier campus has easy access to public transportation with the facility equipped with laboratories, general-purpose classrooms, student lounge and administrative offices all which are well lighted and air-conditioned. Computer stations are equipped with Pentium IV PCs for instructors and students to complete their online researches and assignments. Approximated total square footage of Whittier facility is 6,000. Imaging laboratory is equipped with 2D ultrasound systems and medical supplies to support the students learning experiences. The school library/resource center is equipped with current collection of manuals, reference books and periodicals designed to support all course offerings. Library is open Monday to Friday, 8 am to 10 pm and is closed on weekends and holidays.

ATI College Los Angeles Satellite campus is located at 3407 W. Sixth Street, Suite 614 in Los Angeles, California. Approximated square footage of Satellite campus is 2,000 which houses general office and classrooms/laboratory to service the students from Los Angeles. Facility is conveniently located near the freeways and public transportation system and is equipped with ample parking spaces for students and visitors. All rooms are well lighted and air-conditioned. Imaging laboratory is equipped with medical supplies to support the students learning experience. Laboratory at this location are equipped with 2-D ultrasound systems along with printers and recording devices. Office hour for the Satellite campus is 9 am to 6 pm, Monday to Friday. Campus is closed on weekends and holidays.

**Housing**

Programs offered at ATI College are “non-residential” and has no responsibility to find or assist students in finding housing. For the availability of housing located reasonably near the College's facilities and an estimation of the approximate cost of the housing can be found at www.realtor.com, www.apartments.com, & www.zillow.com. ATI College does not have dormitory facilities that are under our control.

**Handicapped (Wheelchair Access)**

College campus is accessible to all people, including those with disabilities.

**Health and Physical Consideration**

Generally, the professional in the Allied Health field must be in good physical health since he/she will be working in direct contact with patients. This related field of study requires a great deal of standing, walking, pushing, bending and stretching for extended periods of time. A person must consider his/her physical limitations in terms of making a career choice that involves extensive physical demands. We promote the acceptance of students with physical limitations or disabilities if these students (their parents or physician) believe they can fulfill the training demands.

**History and Development**

ATI College is a private postsecondary vocational college system focused in technology-oriented programs. Main campus began its operation in January 1998 in the City of Norwalk then soon opened ATI branch campus in Tustin California in February 2004.

In August 2008, ATI branch campus moved its location to 1125 E. 17th Street Suite N251 in Santa Ana City to better accommodate the growing student population. College continues to offer varieties of career-focused vocational programs to adult learners in Los Angeles and Orange Counties.

In June 2013, ATI branch campus was consolidated with the main school at 12440 Firestone Boulevard Suite 2001 in city of Norwalk. In addition, in October 2013, the ownership of ATI College was changed to Southern California University, School of Oriental Medicine and Acupuncture of Los Angeles California.

In July 2015, ATI College Los Angeles Satellite Location began its operation in downtown Los Angeles at 3460 Wilshire Boulevard.

In December 2017, ownership of ATI College was changed to Dr. Katherine Cho and the College continues to offer career-focused vocational programs to adult learners in Los Angeles and Orange Counties.
In December 2018, ATI College Satellite Location changed its address to 3407 W. Sixth Street, Suite 614 in Los Angeles California.

In September 2019, ATI College Main Campus relocated to 15141 Whittier Blvd., Suite 420 in Whittier California.

Mission & Objectives
It is ATI mission to improve peoples’ lives through providing professional work-skill training. Students seeking to succeed as professionals and instructors seeking to teach such students require a learning environment committed to high standards of instruction. ATI College seeks to respond to these needs and challenges by teaching our students 1) to develop high-level of knowledge in their chosen field of career, 2) to develop analytical and critical thinking skills, 3) to help understand the significance of self-discipline thus acquiring self-confidence, 4) to develop professional attitude and 5) the ability to meet employer’s expectations in the world of professionalism.

Orientation Class
Students are required to attend the program orientation class prior to the first day of lecture.

Statement of Non-Discrimination
ATI College does not discriminate on the basis of race, color, religion, sex, handicap, financial status, age, area of origin or residence in its admissions, staffing, instruction, and/or graduation policies.

Drug Abuse Prevention Program
The college strictly enforces a zero tolerance drug and alcohol policy on campus and makes the following information available to its students, staff, and instructors. Any individual associated with ATI College who is seeking information, counseling, or assistance concerning Drug Abuse Prevention may call or visit the following agency:

Career Advising
Career advisors are on-campus to provide assistance and advice to students individually as often as necessary. Advising takes place in monitoring the student progress as scheduled for the period of enrollment. Career advisors assess graduates need, communicate with potential employers, and assist students with job interview techniques and workshops.

Disclaimer of Employment Guarantee
ATI College does not guarantee employment to any student. However, limited job placement assistance is provided to graduates at no additional charge. Upon graduation, the student’s name is recorded in a placement register for the follow-up process. Placement assistance is providing by reviewing the listings of prospective employers seeking employees, their job requirements, salary, and other pertinent information. Students are referred to interviews and the results of these interviews are recorded in the placement register. The school may show prospective students this register upon request.

Student Services
Student services advisors are on-campus to provide student counseling/advising services, including but not limited to facilitate responses to student needs through student evaluations; facilitate responses to student complaints; facilitate student transfer requests; facilitate student repeat requests; facilitate student leave of absence (LOA) requests; facilitate student transcript requests; facilitate student completion certificate requests; facilitate student verification of enrollment (VOE) requests; facilitate student information update requests.

Attendance and Make-Up Policy
Students are required to attend classes and lab sessions which are scheduled by the college. A notice is sent if student’s attendance should drop below the norm. Excessive absences will be considered grounds for dismissal. Excessive absence is defined as missing 30 percent or more of the cumulative hours scheduled to date within a given module/course of study. Note:
Student is considered “withdrawn” with 14 consecutive absences (using the calendar days which includes the weekends and holidays) and a notice is sent to the student informing the student status as “withdrawn”. If a student’s last date of attendance is on a Friday, the 14 days of consecutive absences will be counted beginning the next school day. If the 14th day of consecutive absence falls on a weekend or holiday, the student will be dismissed on the following school day; if the student returns on the following school day, student will not be considered “withdrawn.” Please refer to “Satisfactory Academic Progress (SAP)” policy in this catalog for additional information. Student is expected to complete the course of study within the 1.5 times of the period of time stated in the enrollment agreement. An absence may be excused by calling-in the same day prior to the beginning of class. Students are required to make-up for the lessons, and exams missed due to absenteeism. The instructor and Student Services Advisor in charge will review excessive tardiness or absences with the student to determine possible corrective action to the issue on hand.

Course & Midterms/Final Exam Make-Up
To make up class work and/or examinations, student must:

1. Have “unforeseen, but fully justifiable” reason(s) and must provide a written explanation.
2. Bring all relevant information for student services manager and instructors to review.
3. Agree to the terms for how and when the make-up will take place. ALL MAKEUP HOURS & WORK MUST BE COMPLETED ON CAMPUS.

Course & Midterms/Final Exam Make-Up Procedure
- Student must submit a written request to make-up missed hours along with supporting documentation (i.e. doctor’s note, court documents, military documents, child care documents, etc.) to student service personnel. Requests without supporting documentation will be determined by the student services personnel to be eligible/ineligible for make-up on an individual basis. You must submit a request as soon as returning from the absence. Explanation must clearly justify his/her absence; one note for each absence would be ideal.
- Student services reviews the explanation to determine make-up eligibility.
- If determined eligible to make-up hours missed, Make-up Form is prepared by the student services personnel with an appropriate number of clock hours needed along with a make-up due date. If determined ineligible to make-up missed class hours, student is notified in writing explaining the reasons for request denial. Student is further instructed to “retake/repeat” the course to meet satisfaction.
- Upon completion, total hours made-up along with the Make-up Form and note must be submitted to student services personnel for evaluation. If the make-up is not done on campus as instructed, the hours will not be honored.
- If form is determined to be completed, form is given to the registrar for her to enter earned hours into school system.
- Registrar notified FAO and Accountant the make-up hours.
Make-up Form is kept in the student file for the duration of five years. The student should also keep the copy of the completion for at least three modules.

Academic Probation Policy
ATI College reserves the right to apply academic probation policy to any student who’s academic, attendance, and/or conduct standing does not meet the school’s satisfactory standards. Students on academic probation for the total length of the module following the probation announcement must satisfy the problem condition(s) prior to the starting of the subsequent module. The instructor and school director will determine if problem conditions have been satisfied before student is allowed to start subsequent module/course. Student is placed on academic probation if school academic requirements are not satisfied.

Dismissal Policy
College reserves the right to dismiss any student who’s academic, attendance, conduct standing, and/or financial obligations does not meet the school’s satisfactory standards. Students who have been dismissed may be reinstated only upon approval of the school director after satisfying the requirements. All dismissals are determined on individual basis.

Class & Practice Hours - Credit Procedure
Full-time students at ATI College record their attendance by clocking IN their names at the start of the day, OUT for a lunch period, IN when returning to class and OUT at the end of the class day. Part-time students at ATI College record their attendance by clocking IN their names at the start of the day and OUT at the end of the class day. Students receive credit for task/operation/project completed after each action is verified by an instructor or office administrator.

Credit Evaluation & Transfer
ATI College has not entered into an articulation or transfer agreement with any other college or university. ATI College does not award credit for prior experiential learning. Credit for courses taken at an accredited postsecondary institution may be accepted at ATI College if the following conditions are met:
1. An official transcript, or transcripts, accompanies the request which must be made prior to matriculation at the school.
2. All credits requested have been completed prior to matriculation. There is no accommodation for concurrent enrollment.
3. Students with degrees from international colleges and universities must submit an official translation of the transcript along with the request to transfer credits.
   (a) Requests must be received prior to matriculation.
   (b) Credits may be granted on a course-by-course basis.
4. Students who have earned some postsecondary credits, but did not complete an academic associate's or bachelor's degree, may request transfer credit by submitting an official transcript along with the request. Credit may be granted on a course-by-course basis if:
   (a) Credit is applied for prior to matriculation.
   (b) Grades earned are “C” (2.0) or higher.
   (c) Courses fit into the appropriate equivalent categories/courses by ATI College at the time of application.
5. If the student has a technical degree or has earned some credits from a technical postsecondary institution, credit may be granted on a course-by-course basis if:
   (a) Credit is applied for prior to matriculation.
   (b) Grades earned are “C” (2.0) or higher.

I. The Process for Evaluation of Transfer Credit
Transfer credit must meet the expectations of the faculty and directors and must be appropriate to the program sought. Academic credit earned within ten (10) years prior to admission will be reviewed as to applicability to the present course of study. The Admissions reserves the right to require examinations or other proof of competence regardless of transfer credits listed on the student’s records. It is not the policy of ATI College to impose redundant programs or requirements on any student. All transfer credits must be reviewed prior to the student’s matriculation. Credits will not be accepted after the student has enrolled at the school. As much as fifty percent (50%) of the credits required for graduation from ATI College may be satisfied through transfer credit.

II. The Process for Establishing Equivalency of Transfer Credit
Transfer credit is accepted from postsecondary institutions authorized by appropriate legal authorities. Corporate or specialized training programs may be recognized as transfer credits as recommended by generally accepted national educational standards. Not all prior credit is applicable to credits earned at ATI College. Transfer credit must support the program. The designated Academic Affairs staff member will evaluate all transcripts and requests for credit to determine transfer credit acceptable to the school as meeting partial requirements for the program.

III. Administrative Position Responsible for Transfer Evaluation
The Program Director is the administrator ultimately responsible for the transfer evaluation, though the Program Director may delegate individual evaluations to faculty members or academic staff.

Notice Concerning Transferability of Credits and Credentials Earned at Our Institution
The transferability of credits you earn at ATI College is at the complete discretion of an institution to which you may seek to transfer. Acceptance of the completion certificate you earn in the program of study is also at the complete discretion of the institution to which you may seek to transfer. If the completion certificate that you earn at this institution is not accepted at the institution to which you seek to transfer, you may be required to repeat some or all of your coursework at that institution. For this reason you should make certain that your attendance at this institution will meet your educational goals. This may include contacting an institution to which you may seek to transfer after attending ATI College to determine if your completion certificate will transfer.

Grading System
Students are evaluated on a regular basis on subject matters. The evaluations are measured on a standard percentile basis and the percentage converted to a letter grade and a point grade. The evaluation form reflects the overall attendance and academic progress of the student. Students must maintain a “C” (70%) average to maintain satisfactory academic status. The grading system detailed below is the system utilized in the school.

<table>
<thead>
<tr>
<th>Grade</th>
<th>Letter</th>
<th>Description</th>
<th>Grade Point</th>
</tr>
</thead>
<tbody>
<tr>
<td>90% - 100%</td>
<td>A</td>
<td>Excellent</td>
<td>4.00</td>
</tr>
<tr>
<td>80% - 89%</td>
<td>B</td>
<td>Above Average</td>
<td>3.00</td>
</tr>
</tbody>
</table>
Graduation Awards
When a student has completed the graduation requirements of the course of study with a GPA (Grade Point Average) of “C” (70%) or better, student receives a program completion certificate or appropriate degree which confirms completion of appropriate program of study. The school assists the students in completing the necessary documents to file for the appropriate credential examination, if any.

Students of Vocational English will be issued Certificate of Completion of Courses upon successful completion of all of the courses.

Leave Of Absence
Occasionally, students may experience extended personal, medical or other problems, which make it difficult to attend classes.

The institution may allow a student under such circumstances to take a Leave of Absence (LOA) from the program. LOA must be requested in writing by the student and must be approved by the student service personnel. Written request must include the start and end date of the leave of absence. Leaves of Absence may be granted for up to 180 days. Do not request a Leave of Absence unless you absolutely need to be off school for a period of more than 14 days but less than 180 days.

Students will not be assessed additional tuition charges while on Leave of Absence.

Students returning from LOA will not retain credit for clock hours and work projects finished in that specific module/course within the LOA duration.

Students who fail to return from a LOA will be considered dismissed as of the last day of attendance.

Clock Hour to Credit Hour Conversion Formula
ATI College measures student progress in semester credit hours. The definition of a semester credit hour is as follows:

One semester credit hour equals 45 units comprised of the following academic activities:
• One clock hour in a didactic learning environment = 2 units
• One clock hour in a supervised laboratory setting of instruction = 1.5 units
• One hour of externship = 1 unit
• One hour of out-of-class work and/or preparation for the didactic learning environment or supervised laboratory setting of instruction that are designed to measure the student’s achieved competency relative to the required subject matter objectives equals 0.5 unit

Definition of Clock Hours
School’s definition of clock hour is as follow: 50 minutes duration in classroom lecture, lab/shop hours, independent study activity, or externship hours.

Satisfactory Academic Progress (SAP)
STANDARDS: This institution expects all of its regular students to maintain Satisfactory Academic Progress (SAP) as established by this institution under the guidelines of the, institution’s accrediting body the student must:

1. Maintain a cumulative academic average of “C” (70%) or better at the end of each of the evaluation period. The grading must take into consideration grades obtained in exams for theory classes and practical grades obtained on hands on practical exams.
2. Maintain a cumulative average attendance level of at least two-thirds (2/3) of the scheduled hours indicated on their enrollment contract at the end of each of the evaluation period.
3. Complete the course within a maximum time frame of one and one-half (1 ½) times the length of the course as stated in the enrollment agreement. For example, if the student has contracted to complete the course within 44 weeks (including grace time for absences), he or she must complete within 66 weeks.
4. Students meeting the minimum requirements for attendance and academic progress at any evaluation point will be considered to be making satisfactory progress until the next evaluation.

EVALUATION PERIODS: Student receiving aid from Title IV Aid Programs must be in compliance with the Satisfactory Academic Progress Policy at the end of each payment period or term of the course.
If at the end of a payment period the student fails to maintain a passing grade point average or failed to successfully complete the clock hours, semester/trimester or quarter credit hours percentage required to maintain a progress level that would allow the student to complete the course within the maximum time frame in the course, as published, the student would be placed in a financial aid warning SAP status. The student will be eligible for financial aid funds for one subsequent payment period.
If at the end of a payment period following the period under financial aid warning status, the student fails to make the grade or fails to successfully complete the cumulative number of hours percentage that would allow the student to complete the course of study within the maximum time frame as published, the student will be placed in an ineligible status for financial aid funds. At this point the student will be informed by the institution of his/her ineligibility for future financial aid funds. The student will also be informed of the steps to take to initiate an appeal process.

**APPEAL PROCEDURES:** The student, who wishes to appeal the non-satisfactory progress status, must initiate the process by submitting a written request to the director of the institution. The request is to be presented within (10) days of the non-satisfactory progress status determination and must describe any circumstances that the student believes affected his/her performance and deserve special consideration and the measures that the student has taken to resolve those circumstance in a manner that would not interfere his/her progress again.

The director shall evaluate the appeal within five (5) business days and notify the student in writing of his/her decision. The decision of the director shall be final.

If the appeal is approved, the payment period originally placed under eligibility status would be modified to a financial aid probation status. The student will be eligible for aid for the period under financial aid probation.

If at the end of the payment period under probation status, the student fails to make the grade or fails to successfully complete the cumulative number of hours (clock, semester/trimester or quarter) percentage that would allow the student to complete the course of study within the maximum time frame as published, the student will be placed in an ineligible for financial aid funds status.

**REINSTATEMENT:** A student that prevails upon the appeal process will be determined as making satisfactory progress. Financial aid eligibility for funds will be reinstated to the student only for that payment period under the probation status.

**RE-ENTERING:** Students accepted for re-entering into the program of study, will be placed under the same satisfactory progress status prevailing at the time of the prior withdrawal.

**Voter Registration**
In order to vote in a California election, you must complete a Voter Registration Form. To register to vote in California, you must be:
- A United States citizen,
- A resident of California,
- 18 years of age or older on Election Day,
Students may refer to the following website to download voter registration forms. [https://www.sos.ca.gov/nvrc/fedform/](https://www.sos.ca.gov/nvrc/fedform/)

**California Massage Therapy Council Disclosure Statement**
Attendance and/or graduation from a California Massage Therapy Council approved school does not guarantee certification by CAMTC. Applicants for certification shall meet all requirements as listed in California Business and Professions Code section 4600 et. seq.
Courses of Study
Institution ID: 03740400
Program Name: Bachelor of Science in Diagnostic Sonography with Concentration in Healthcare Administration
Program Length in Months: 30
Clock Hours: 2815
Semester Credit: 120.0
Related Occupation:
29-2034: Radio rats and technicians
29-2032: Diagnostic Medical Sonographers
29-2071: Medical Records and Health Information Technicians
31-9094: Medical Transcriptionists
11-9110: Medical and Health Services Managers
43-9199: Office and Administrative Support Workers, All Other
43-4199: Information and Record Clerks, All Other
43-4161: Human Resources Assistants

Vocational Objective:
The Bachelor of Science in Diagnostic Sonography with Concentration in Healthcare Administration is designed to broaden the leadership skills of Sonographers who have healthcare administration background. Program builds on clinical and administrative skills learned in health-care related programs offered at ATI College. For students coming from outside the diagnostic medical sonography and healthcare administration field, the program provides an introduction to dynamic industry and a chance to build connections with fellow students in the local health care community.

Industry Occupations:
Most graduates from the Bachelor of Science in Diagnostic Sonography with Concentration in Healthcare Administration hold job titles such as the diagnostic medical sonographers, medical and health services administrators, also called healthcare managers or healthcare administrators, who will plan, direct, and coordinate medical and health services. They might manage an entire facility, a specific clinical area or department, or a medical practice for a group of physicians. Medical and health services administrators must direct changes that conform to changes in healthcare laws, regulations, and technology. In addition to holding a job title such as the medical and health services administrators, graduates will perform his/her duties as a general sonographer for the radiology department within the hospital or clinical setting (https://www.bls.gov/ooh/management/medical-and-health-services-managers.htm & https://www.bls.gov/ooh/healthcare/diagnostic-medical-sonographers.htm).

Tuition for entire program:
US Resident: $56,500.00
International Student: $71,900.00
Books and supplies for the entire program:
Registration:
US Resident: $75.00
International Student: $150.00
TOTAL CHARGES:
US Resident: $60,725.00
International Student: $76,200.00
Total room and board charges for living on campus:
N/A
No housing on campus:
0
School website: http://www.ati.edu

## Course Descriptions:

**ANA 201 - Anatomy and Physiology**
Comprehensive knowledge of Anatomy and Physiology is a fundamental prerequisite to Medical sciences. Upon completion of this subject, the student will have practical knowledge about the structural levels of organization, anatomical components, and physiology. The student will also learn about Medical terminology and relationships related to various body organs and anatomical directions, planes, and body cavities. The student will have a clear understanding of the anatomy and physiology of a typical cell, tissues, organs, systems of the human body and homeostasis and its importance in the human body. Preerequisite: None
90 Hours
6 Semester Credits

**ENGL 101 - English Composition**
Students will learn to study and apply rhetorical principles of writing in developing effective sentences, paragraphs, and essays, with particular emphasis on writing expository prose about short fiction and non-fiction prose.
Prerequisite: None
45 Hours
3 Semester Credits

**ENGL 301 - Advanced Composition**
This course is designed to help students develop sophisticated written texts. Course emphasizes critical reading, analysis, and writing while incorporating advanced research methods.
Prerequisite: ENG 101
45 Hours
3 Semester Credits

**MAT 101 - College Algebra**
The course is designed to familiarize learners with fundamental mathematical concepts such as inequalities, polynomials, linear and quadratic equations, and logarithmic and exponential functions.
Prerequisite: None
45 Hours
3 Semester Credits

**INFO 101 - Introduction to Humanities**
Students will discover the importance of the arts and humanities in shaping and reflecting various cultures as well as their importance in enriching one’s individual life. Students will be exposed to many primary works of visual art, literature, music, and film that they will find wondrous, perplexing, hideous, unsettling—maybe even offensive. They will work on how to evaluate and appreciate these works, all in the interest of sharpening their aesthetic perception. Students will practice expressing themselves regarding the humanities clearly and effectively in informal and formal writing.
Prerequisite: None
45 Hours
3 Semester Credits

**COM 101 - Computer Fundamentals**
In this course, you will identify PC components, work with files and folders, and conduct basic software installations. This course will provide students with the fundamental skills and concepts required to maintain, support, and work efficiently with personal and work computers.
Prerequisite: None
45 Hours
3 Semester Credits

**PHY 101 – Physics**
This course provides a conceptually-based exposure to the fundamental principles and processes of the physical world. Topics include basic concepts of motion, forces, energy, heat, electricity, magnetism, and the structure of matter and the universe.
Prerequisite: None
45 Hours
3 Semester Credits

**SOC 201 - Organizational Ethics**
This course is designed to raise student’s awareness and interest in the importance of creating and maintaining a solid ethical framework within all types of organizations. The core focus of the course is in defining, discussing, and addressing the unique regulatory, cultural, and personal ethical dilemmas that organization leaders confront in today’s global economy. Nuances and realities of formal (regulatory), cultural, and personal ethical risks are presented for discussion.
Prerequisite: None
45 Hours
3 Semester Credits

**COMM 101 – Introduction to Communication**
This course is an introduction to the history, theory, and practice of communication, including language and literacy, representation and semiotics, mediated technologies and institutional formations, and social interaction. This course integrates the study of communication with a range of media production (for example, writing, electronic media, film, performance).
Prerequisite: None
45 Hours
3 Semester Credits

HEA 310 - Healthcare Administration
This course provides an overview of health delivery systems, organizational theory, and the conceptual basis of traditional managerial and administrative leadership roles in health care facilities. Emphasis will be placed on the application of theory and best practice standards to the demands of the healthcare environment. Special emphasis will be placed on the development of leadership competencies and skills through the selection of a broad range of specialty topics including: the health system, strategic planning, organizational structure, organizational performance, organizational change, motivation, problem solving, organizational communication and motivation.
Prerequisite: None
45 Hours
2 Semester Credits

COM 201 - Computerized Medical Administration
Students will learn the basics of medical practice management software which includes setting patients’ appointments, maintaining physicians’ calendars, billing and messaging, as well as specific interpersonal communications skills necessary in a medical setting. Students will gain competence in word processing, spreadsheet, database and presentation software. Keyboarding speed and accuracy is developed while grammar, punctuation, and writing skills are enhanced.
Prerequisite: COM 101
45 Hours
2 Semester Credits

HEA 320 - Human Resources Management
This course examines the role of the human resource professional as a strategic partner in managing today’s organizations. Key functions such as recruitment, selection, development, appraisal, retention, compensation, and labor relations are examined.
Prerequisite: HEA 310
45 Hours
2 Semester Credits

PHA 300 - Pharmacy Essentials
Students will study about disease mechanisms, pharmaceutical formulation, immunology, medicinal chemistry, introduction to the professional issues relevant to the practice of pharmacy, and pharmacology along with topics related to introductory level of pharmacy practice settings.
Prerequisite: None
45 Hours
2 Semester Credits

ACC 200 - Introduction to Accounting
This course is an introduction to the basic concepts and standards underlying financial accounting systems. Several important concepts will be studied in detail, including: revenue recognition, inventory, long-lived assets, present value, and long term liabilities. The course emphasizes the construction of the basic financial accounting statements - the income statement, balance sheet, and cash flow statement - as well as their interpretation.
Prerequisite: None
45 Hours
2 Semester Credits

ACC 300 - Principles of Accounting
This course provides the essentials of fundamental accounting such as: definition of Accounting, users of accounting information, accounting concepts and principles, accounting equation, measuring and recording of business transactions, adjusting entries,
completing the accounting cycle, classified financial statements, depreciation, inventories, managerial accounting basics, cost behavior, cost volume-profit and its analysis and budgeting.

Prerequisite: ACC 200
45 Hours
2 Semester Credits

**PRO 400 - Professional Development**

The Professional Development course is designed to improve the ability of students to describe their accomplishments and sell their ideas in situations like professional networking, company meetings, response to proposals for services, and interviews. It teaches writing skills and workplace integration for new jobs. Particular emphasis is put on verbal communication and preparation for verbal communication. Students will learn to create career plans that require them to research career options and potential employers, and prepare a developmental roadmap that will lead them success within the chosen profession.

Prerequisite: EXT 400
90 Hours
4 Semester Credits

**MED 300 - Medical Records and Billing**

The practical application of coding and classification for billing and insurance reimbursement is the focus of this course. Lessons cover codes and classifications for medical procedures and medical diagnoses and guidelines for use in medical records. Students also learn HIPAA (Health Insurance Portability and Accountability Act) guidelines and how they relate to the preparation of medical records. Students are also introduced to common health insurance company requirements for handling claims and typical office billing procedures. Students practice processing Medicare, Medicaid and workers compensation claims for outpatient and in-patient treatment.

Prerequisite: ACC 300
45 Hours
2 Semester Credits

**VAS 301 - Vascular Technology I**

This course is designed to prepare the students for successful acquisition of the Registered Vascular Technologist (RVT) credential. This course contains separate modules leading the students through topics including human anatomy, physiology, pathophysiology of many disease processes, as well as methods of investigating and diagnosing vascular disease.

Prerequisite: ANA 201, MED 101, PHS 101
Didactic – 90 Hours (4.50 Semester Credits)
Supervised Lab – 90 Hours (3.00 Semester Credits)

**VAS 302 - Vascular Technology II**

This course is continuation of VAS 301 and is designed to prepare the applicant for the successful acquisition of the Registered Vascular Technologist (RVT) credential. Students will gain knowledge, skills and abilities in the areas of anatomy and hemodynamics (blood flow) of cerebrovascular, venous, peripheral and abdominal blood vessels.

Prerequisite: ANA 201, MED 101, PHS 101, VAS 301
Didactic – 90 Hours (4.50 Semester Credits)
Supervised Lab – 90 Hours (3.00 Semester Credits)

**PHY 301 - Physics and Instrumentation I**

This course is designed to prepare the students for successful acquisition of the Sonography Principles & Instrumentation examination. Students will learn the skills and abilities in the areas of clinical safety, physical principles, pulsed echo instrumentation, and quality assurance. SPI exam meets the fundamental physical principles and instrumentation requirements for the RDMS, RDCS, RVT and RMSKS credentials.

Prerequisite: ANA 201, MED 101, PHS 101
Didactic – 90 Hours (4.50 Semester Credits)
Supervised Lab – 90 Hours (3.00 Semester Credits)

**PHY 302 - Physics and Instrumentation II**
This course is continuation of PHY 301 and is designed to further prepare students for successful acquisition of the Sonography Principles & Instrumentation examination. Students will learn the skills and abilities in the areas of clinical safety, physical principles, pulsed echo instrumentation, and quality assurance.

Prerequisite: ANA 201, MED 101, PHS 101, PHY 301
Didactic – 90 Hours (4.50 Semester Credits)
Supervised Lab – 90 Hours (3.00 Semester Credits)

**ABD 301 - Abdomen and Small Parts Sonography I**
This course is designed to prepare the students for successful acquisition of the AB examination. Students will gain knowledge, skills, and abilities in the areas of soft tissues, blood vessels and organs of the abdominal cavities.

Prerequisite: ANA 201, MED 101, PHS 101
Didactic – 90 Hours (4.50 Semester Credits)
Supervised Lab – 90 Hours (3.00 Semester Credits)

**ABD 302 - Abdomen and Small Parts Sonography II**
This course is continuation of ABD 301 and is designed to further prepare students for successful acquisition of the AB examination. Students will continue to gain knowledge, skills, and abilities in the areas of soft tissues, blood vessels and organs of the abdominal cavities.

Prerequisite: ANA 201, MED 101, PHS 101, ABD 301
Didactic – 90 Hours (4.50 Semester Credits)
Supervised Lab – 90 Hours (3.00 Semester Credits)

**OGB 301 - Obstetrics and Gynecology Sonography I**
This course is designed to teach students the basic obstetrics and gynecology knowledge and skills essential to Sonography Professionals. Students will be prepared for successful acquisition of the OB/GYN examination which assesses the knowledge, skills and abilities in the areas of the female reproductive system as well as the fetus in the first, second and third trimesters of pregnancy.

Prerequisite: ANA 201, MED 101, PHS 101
Didactic – 90 Hours (4.50 Semester Credits)
Supervised Lab – 90 Hours (3.00 Semester Credits)

**OGB 302 - Obstetrics and Gynecology Sonography II**
This course is continuation of OBG 301 and is designed to further prepare students for successful acquisition of the OB/GYN examination. Students will continue to gain knowledge, skills, and abilities in the areas of the female reproductive system as well as the fetus in the first, second and third trimesters of pregnancy.

Prerequisite: ANA 201, MED 101, PHS 101, OBG 301
Didactic – 90 Hours (4.50 Semester Credits)
Supervised Lab – 90 Hours (3.00 Semester Credits)

**EXT 400 - Clinical Externship**
The Clinical Externship experience provides the student with the opportunity to practice the skills they have been taught in school. It is a real world scenario in which the student will work with patients, doctors, and other members of the healthcare delivery team. The Externship Site Supervisor will complete weekly evaluations tracking the student’s progress, as well as a final evaluation at the completion of the student’s hours. The Director of Education will monitor the student’s progress, along with the Externship Site Supervisor, at the time of onsite visits.

Prerequisite: ANA 201, MED 101, PHS 101, VAS 301, VAS 302, PHY 301, PHY 302, ABD 301, ABD 302, OBG 301, OBG 302, HEA 320, COMP 201, ACC 300, MED 300

520 Hours
11.5 Semester Credits

**Admissions Requirements:**
In addition to meeting the eligibility criteria described elsewhere in this catalog, this program has additional requirements for admission which include:

- Wonderlic (BST) minimum passing score of Verbal 240, Quantitative: 280, Total Overall Minimum Score of 520
- In-person interview with the Director of Education
- Submit a personal statement
- Submit transcripts and GPA from previous educational experiences
- Pass a criminal background check
- Meet minimum physical requirements
Institution ID: 03740400
Program Name: Echocardiography
Program Length in Months: 18 (F/T)
Clock Hours: 2170
Semester Credit: 82
Outside Work Clock Hours: 542.5
Program CIP: 51.0901
Program Level: 01: Certificate
Related Occupation:
29-1126.00: Respiratory Therapists
29-2033.00: Nuclear Medicine Technologists
29-2034.01: Radiologic Technologists
29-2034.02: Radiologic Technicians
29-2052.00: Pharmacy Technicians
31-9091.00: Dental Assistants
31-9092.00: Medical Assistants

Total tuition for entire program: $30325.00
Total of books and supplies for the entire program: $915.00
Registration: $75.00
TOTAL CHARGES: $31,315.00
Total room and board charges for living on campus: N/A
No housing on campus: 0
School website: http://www.ati.edu

Program description & objectives:
Echocardiography program offers exceptional clinical didactic education and hands-on practical experiences needed to create a well-rounded, fully competent cardiac sonographer for an entry-level position in the occupations and job titles to which the program is represented to lead. Upon successful completion of this program, graduate is awarded a completion certificate. Student will have opportunity to train and observe in the field of adult echocardiography including patient management and clinical medicine, ultrasound physics and instrumentation, pathophysiology of cardiovascular diseases and therapeutic measures, 2D & M mode echocardiography, cardiac doppler and color flow echocardiography, advanced techniques in echocardiography and stress echocardiography.

- Medical Terminology, Anatomy, and Physiology (180 clock hrs/8.5 semester credits): This module is designed to provide students with the basic fundamental knowledge of human anatomy and medical terminology including body organization, cell tissue membranes, special senses, endocrine, musculoskeletal, nervous, cardiovascular, urinary, reproductive and related pathology. Students will gain knowledge of cross-sectional views of the human body, and the fundamental knowledge to succeed in the General ultrasound and Echocardiography technology programs.
- Vascular Technology: Module 1 (180 clock hrs/7.5 semester credits), will prepare students with an introduction to vascular technology and sonography. Students will be introduced to Lab and lectures of vascular system. Sonographic and physiologic testing for upper and lower extremities arteries, including normal vs. pathological conditions. (Prerequisite: satisfactory completion of Terminology, Anatomy, and Physiology module).
- Vascular Technology: Module 2 (180 clock hrs/7.5 semester credits): In this module students will be introduced to Lab and lectures of venous systems, Sonographic and physiologic testing for upper and lower extremity venous systems, and, Abdominopelvic vascular systems, including normal vs. pathological conditions. (Prerequisite: satisfactory completion of Terminology, Anatomy, and Physiology module).
- Sound Physics & Instrumentation: Module 1 (180 clock hrs/7.5 semester credits): In this module students are introduced to lectures and Lab studies related to the basics of the sound waves physics, their interaction of human tissues, image formations and ultrasonography transducers. (Prerequisite: satisfactory completion of Terminology, Anatomy, and Physiology module).
- Sound Physics & Instrumentation: Module 2 (180 clock hrs/7.5 semester credits): include Lab and lectures for understanding of the sonography instrumentations and image display, Doppler applications, color flow, 3D and 4D scanning instrumentation and patients safety (Prerequisite: satisfactory completion of Terminology, Anatomy, and Physiology module).
- Echocardiography 1A & B (360 clock hrs/15 semester credits): These modules prepare students with an introduction to cardiac sonography. Cardiac anatomy, hemodynamics, special analysis, obtaining echocardiographic imaging, measurements, and pathological conditions are discussed. These pathological conditions are Coronary Artery Disease, Complications of MI, and Pericardial Diseases. Module will further cover learning how to do ATI College Catalog 2015-
2016 Page 15 of 43 ultrasound of the vascular system including carotid arteries, arterial ultrasound of the extremities and venous studies of the lower extremities. The students will be taught how to do Doppler ultrasound including color flow imaging and analysis, and how to evaluate waveforms (Prerequisite: satisfactory completion of Terminology, Anatomy, and Physiology module).

- **Echocardiography 2A & B (360 clock hrs/15 semester credits):** This module prepares the students to understand the advanced level of study of the echocardiography. This module prepares the student to recognize and interpret the conditions and symptoms of the cardiac Valvular diseases and their hemodynamics. As well as the Congenital Heart Diseases and their presentations (Prerequisite: satisfactory completion of Terminology, Anatomy, and Physiology module).

- **Clinical Externship (550 clock hrs/13.5 semester credits):** Students participate in a clinical externship where they will gain hands on training. Students are required to be available days and evenings, externship is part of program (Prerequisite: satisfactory completion of Terminology, Anatomy, and Physiology, Vascular 1&2, Physics and Instrumentation1&2, Echocardiography 1A&B, Echocardiography 2A&B modules).

**Admission Requirement:**
Persons with high school diploma or GED or college degree are eligible to apply.
Program description & objectives: The objective of the Ultrasound Technology program is to prepare students with the knowledge, technical skills, and work habits required for an entry-level position in the occupations and job titles to which the program is represented to lead. Upon successful completion of this program, graduate is awarded a completion certificate. Graduates of this program may assume a responsible position as a member of the health team in a hospital, imaging center, doctor’s office, or clinic. Positions may also be available in private practice, industry, or government. Duties may include performing ultrasound scans of the upper abdomen, pelvic area, Vascular studies and Obstetric and Gynecologic scans.

- Medical Terminology, Anatomy, and Physiology (180 clock hrs/8.5 semester credits): This module is designed to provide students with the basic fundamental knowledge of human anatomy and medical terminology including body organization, cell tissue membranes, special senses, endocrine, musculoskeletal, nervous, cardiovascular, urinary, reproductive and related pathology. Students will gain knowledge of cross-sectional views of the human body, and the fundamental knowledge to succeed in the General ultrasound and Echocardiography technology programs.
- Vascular Technology: Module 1 (180 clock hrs/7.5 semester credits), will prepare students with an introduction to vascular technology and sonography. Students will be introduced to Lab and lectures of vascular system. Sonographic and physiologic testing for Upper and lower extremities arteries, including normal vs. pathological conditions. (Prerequisite: satisfactory completion of Terminology, Anatomy, and Physiology module).
- Vascular Technology: Module 2 (180 clock hrs/7.5 semester credits): In this module students will be introduced to Lab and lectures of venous systems, Sonographic and physiologic testing for upper and lower extremity venous systems, and, Abdominopelvic vascular systems, including normal vs. pathological conditions. (Prerequisite: satisfactory completion of Terminology, Anatomy, and Physiology module).
- Sound Physics & Instrumentation: Module 1 (180 clock hrs/7.5 semester credits): In this module students are introduced to lectures and Lab studies related to the basics of the sound waves physics, their interaction of human tissues, image formations and ultrasonography transducers. (Prerequisite: satisfactory completion of Terminology, Anatomy, and Physiology module).
- Sound Physics & Instrumentation: Module 2 (180 clock hrs/7.5 semester credits): include Lab and lectures for understanding of the sonography instrumentations and image display, Doppler applications, color flow, 3D and 4D scanning instrumentation and patients safety (Prerequisite: satisfactory completion of Terminology, Anatomy, and Physiology module).
- Abdomen and small parts sonography: Module 1 (180 clock hrs/7.5 semester credits): is designed to provide students with Lab and lectures of the basic abdominal organs anatomy and functions as it relates to clinical and sonographic presentations of normal and pathologic conditions (Prerequisite: satisfactory completion of Terminology, Anatomy, and Physiology module).
- Abdomen and small parts sonography: Module 2 (180 clock hrs/7.5 semester credits): is designed to provide students with Lab and lectures of the basic small parts anatomy and functions as it relates to clinical and sonographic presentations of normal and pathologic conditions (Prerequisite: satisfactory completion of Terminology, Anatomy, and Physiology module).
• Obstetrics and Gynecology sonography: Module 1 (180 clock hrs/7.5 semester credits): This module provides Lab and lecture studies for the basic knowledge and skills to perform first, second and third trimester studies; recognize normal vs. abnormal conditions, maternal complications, and fetal assessment. Special gynecological procedures are also discussed in this course (Prerequisite: satisfactory completion of Terminology, Anatomy, and Physiology module).

• Obstetrics and Gynecology sonography: Module 2 (180 clock hrs/7.5 semester credits): This module provides Lab and lectures for the basic knowledge that will help distinguish the normal and common variant anatomy vs. common pathologic conditions. (Prerequisite: satisfactory completion of Terminology, Anatomy, and Physiology module).

• Clinical Externship (520 clock hrs/13 semester credits): Students’ participate in a clinical externship where they will gain hands on training. Students are required to be available days and evenings, the externship is part of the students’ program (Prerequisite: satisfactory completion of Terminology, Anatomy, and Physiology, Abdomen 1&2, OB/GYN 1&2, Vascular 1&2, Physics and Instrumentation1&2 modules).

**Admission Requirement:**
Persons with high school diploma or GED or college degree are eligible to apply.
Program description & objectives: Massage Therapy program prepares students for entry-level massage therapist positions to provide relief and improved health and well-being to clients through the application of manual techniques for manipulating skin, muscles, and connective tissues. Program includes instructions in anatomy & physiology, pathology, business marketing, ethical practice, Thai massage, Shiatsu massage, deep tissue massage, therapeutic massage, sports massage, and foot reflexology among many other techniques widely used by massage therapists.

- **Anatomy & Physiology I (80 Clock hrs, 3.5 Sem. Credit Hrs.)** - Anatomy refers to the structure of the body, especially bones and muscles. Physiology refers to the workings of the body's "systems" - such as the Digestive System, the Immune System, etc. Massage therapists use their in-depth knowledge of the body's anatomy and physiology to develop session strategies for their clients that are both safe and effective. At ATI College instructors use a wide variety of methods to make the study of anatomy and physiology accessible and relevant to the practice of massage therapy. Anatomy & Physiology are divided into three levels of learning. From fundamental anatomy & physiology to advanced level of training in the subjects of Anatomy & Physiology, at ATI College students are taught in three levels of learning.

- **Anatomy & Physiology II (80 Clock hrs, 3.5 Sem. Credit Hrs.)** - This course is a continuation from Anatomy & Physiology I.

- **Pathology (80 Clock hrs, 3.5 Sem. Credit Hrs.)** - Pathology is the study of the nature and causes of disease. Since the number of pathologies we humans may encounter is practically limitless, at ATI we focus on pathologies that massage therapists will encounter. Thus we can judge whether our work is appropriate for the client.

- **Myology & Kinesiology (80 Clock hrs, 3.5 Sem. Credit Hrs.)** - Myology is the study of the muscular system, including the study of the structure, function, and diseases of muscle. In this course, students will study the introductory level of mycology in use to provide massage therapy. Kinesiology is a scientific study of human body movement which is significant for the massage therapists to understand in order to provide efficient therapy to clients.

- **Hygiene, First Aid, CPR, Contraindications, Ethical Practice (60 Clock hrs, 2 Sem. Credit Hrs.)** – In this course the students will learn how to recognize and respond to breathing and cardiac emergencies. The student will also learn how to respond to non-breathing, or cardiac emergencies caused by injury sudden illness. Upon successful completion of this course students will receive CPR and First Aid certification. Students will also be introduced to personal health, hygiene, appearance, maintaining sanitary conditions, safety practices and procedures.

- **Fundamentals of Western & Eastern Massage (60 Clock hrs, 2 Sem. Credit Hrs.)** – In this course the students will be introduced to different types of Western and Eastern massages and techniques. Student will also learn to determine the differences between the two very unique techniques throughout the course and be able to apply appropriate techniques for the clients based on their needs.

- **Therapeutic Thai & Shiatsu Massage (60 Clock hrs, 2 Sem. Credit Hrs.)** - Thai massage is often described as having someone "perform yoga" on you. Indeed, both Thai massage and yoga go back to ancient times, having their origins in India. The work itself includes:
  - General, rhythmic pressure on the body
  - Followed by thumb pressure along specific lines
  - Stretches
The basis of Thai massage lies in the theory of energy lines running throughout the body—in a way similar to Traditional Chinese Medicine. The effective flow of energy along these lines is seen as a major contributor to health.

Shiatsu is a form of acupressure massage, developed in Japan. The word "shiatsu" in Japanese in fact means "finger pressure." Much of the theoretical foundation for this work originates within Traditional Chinese Medicine, especially the concept of energy pathways in the body called meridians. Shiatsu massage is typically performed on the floor mat, and can also be adapted to the table or chair. The recipient removes their shoes, but remains fully clothed; no oils or lotions are used. The work includes a combination of muscle compression & softening, joint mobilization & stretching, and stimulation of acupressure points, leaving the client relaxed, calm and energized.

- Deep Tissue Massage (60 Clock hrs, 2 Sem. Credit Hrs.) - Deep Tissue is a style of bodywork that focuses on working with the layers of the body in a way that helps these layers to relax, lengthen, and release holding patterns. However, a common mistaken notion about deep tissue is that the therapist has to be a large person and exert an enormous amount of pressure. If this were true, many massage therapists would be out of business fast. At ATI, our students learn to use their elbows and forearms to obtain deep results - and not wear out their fingers and thumbs. We also show how to achieve the results of deep tissue work by changing the angle of your touch to the body, where you place your body when you work, and how you can detect the particular layer of tissue you want to address.

- Sports Massage (60 Clock hrs, 2 Sem. Credit Hrs.) - People everywhere are engaged in pushing their physical limits in activities such as running, cycling, hiking, swimming, dancing, tennis, strength training and aerobics. Every one of them can benefit from massage, and especially from what is called sports massage. Sports Massage can be defined as the application of a variety of massage techniques and stretching exercises to enhance athletic performance. And whether you are a professional athlete, or you engage in these activities just for fun, you want to improve your performance. Many trainers believe that sports massage can give their athletes an extra edge in competition, and we have seen massage administered to sports participants locally, nationally, and internationally, in competitions of all kinds, including the Olympics. Students study sports-specific techniques for:
  o Pre-event massage,
  o Post-event massage,
  o and maintenance massage.

- Externship (180 Clock hrs, 4.5 Sem. Credit Hrs.) – The student is required to complete a total of 180 hours. The externship opportunity plays a vital role in the success of a massage student. When students are given the opportunity to perform massage at an off-site facility, they are more likely to acquire employment. Through the externship experience, they have the opportunity to perform the techniques that were practiced in student clinic, in an actual working facility. This gives them real life experience, preparing them for a successful career.

### Content and Approach

ESL courses are front-loaded studies in which the student completes courses prior to the career-oriented vocational courses at this College. ESL courses focus on the development of the communication and job search skills necessary for employment in the health care field in the United States. Topics include health professions in the United States, career pathways, communication with patients and co-workers, health care systems, current critical health issues, and intercultural communication skills.

Participant will practice the skills of speaking, listening, reading, and writing. We will use activities based on day-to-day health care situations, readings related to health care and cases studies from different health professions. The communicative approach of the courses is based on individual pair, and group task and projects. Each class session will include problem-solving and critical thinking activities in which you will work both individually and collaborate with classmates.

### Goals

ESL is a 40-week study made up of several courses in English for health professionals. Participant will make progress toward the overall goal of ESL. At the end of 40-week study, participant will have improved communications skills in English based on ones increased ability to:

- Use strategies and skills for pursuing career goals in health care and making informed career choices.
- Communicate effectively and appropriately with patients and families in health care settings.
- Communicate effectively and appropriate with other health care professional in health care settings.
- Understand systems, requirements, and issues in health care in the United States and California.
- Understand how cross-culture beliefs, traditions, and behaviors impact everyday communication in health care.
- Use strategies and skills for exploring your own ongoing professional development beyond the current course.

### Admissions Process

- Inquiring applicant is scheduled to visit the school.
- Inquiring applicant must have a personal interview with an admission representative. During the interview, applicant is asked to provide TOEFL or TOEIC score earned in the last 12-months. Evaluating the effectiveness of the school's course offerings and the impact of student workforce readiness, the test is given at the beginning and end of each course, the increase in test scores can show how much the course improved students' language skills.
- While visiting the school, applicant receives a tour of the campus, completes an application & admissions representative explains the steps for enrollment requirements and receives an overview of the courses.
- Upon making formal application to school and meeting all of the document requirements, applicant will meet with financial officer to determine financial aide eligibility.
- Applicant attends student orientation prior to first day of class.

### Assessment of Progress

Participant will work together with the instructor to evaluate his/her professional based on in-class and out-of class activities. We will use a variety of assessments methods including rubrics for ongoing self assessments and assessments by the instructor. Participant will be able to review these rubrics periodically to see your progress over time. At the end of the course, student will hand in his/her portfolio to assess achievements for the first course and to set goals for the second course of the ESL study. At the end of the 40-week study, student will attempt TOEFL or TOEIC test in order to measure one’s test score against stated exit goal.

### Overview

The ESL curriculum consists 740 clock hours of organized according to five major modules/courses:

---

29 | P a g e
Module 1 - Exploring Career Goals in Health Care
Module 2 - Communicating with Patients and Families
Module 3 - Communicating with other Health Professionals
Module 4 - Exploring Critical Issues in Health Care
Module 5 - Intercultural Communication in Health Care

The curriculum design is unique in that the modules and units can be linked to each other or used independently for courses and workshops of different lengths in a variety of contexts.

Objective
ESL courses are not vocational in nature and do not lead to initial employment; courses are not prerequisite or provides credit toward any vocational programs offered within the school; upon completion of the study, student will earn a Completion Certificate.

Overall Goal
To provide non-native-speaking health care workers with the English skills needed to communicate and function effectively in the workplace and to help them achieve their professional goals in the U.S.

Target Audience
1. Immigrants seeking to enter allied health program,
2. Foreign-trained health care professionals seeking to enter allied health program,
3. Incumbent health care workers with limited English proficiency seeking to enter allied health program.

Curriculum Approach
Learner-centered, content-based courses with interactive, problem-solving tasks based on everyday communication in health-care settings and current health care issues.

MODULE 1 - Exploring Career Goals in Health Care (148 clock hours)
WEEK 1 UNIT 1: Health Care Professionals and Career Paths
WEEK 2 UNIT 2: Requirements for Entry in Health Field
WEEK 3 UNIT 3: Job Search Skills
WEEK 4 UNIT 4: Job Application Process
WEEK 5 UNIT 5: Job Interview Skills
WEEK 6 UNIT 6: Professional Behavior and Workplace Expectations
WEEK 7 UNIT 7: Work & Safety Issues for Health Professionals
WEEK 8 UNIT 8: Professional Development in Health Care

MODULE 2 - Communicating with Patients and Families (148 clock hours)
WEEK 1 UNIT 1: Patient-Health Professional Relationship
WEEK 2 UNIT 2: Gathering Patient Information
WEEK 3 UNIT 3: The Patient-Centered Interview
WEEK 4 UNIT 4: Examining and Monitoring Patients
WEEK 5 UNIT 5: Developing a Treatment Plan
WEEK 6 UNIT 6: Medical Charting and Reporting
WEEK 7 UNIT 7: Patients with Special Needs
WEEK 8 UNIT 8: Handling Challenging Situations with Patients

MODULE 3 - Communicating With Other Health Professionals (148 clock hours)
WEEK 1 UNIT 1: Interaction among Health Professionals
WEEK 2 UNIT 2: Using Medical Terminology Appropriately
WEEK 3 UNIT 3: Assertive Communication with Co-Workers
WEEK 4 UNIT 4: Professional and Social Communication
WEEK 5 UNIT 5: Working Effectively on a Team
WEEK 6 UNIT 6: Supervising Health Professionals
WEEK 7 UNIT 7: Telephone and Electronic Communication
WEEK 8 UNIT 8: Handling Challenging Situations with Co-Workers
### MODULE 4 - Exploring Critical Issues in Health Care (148 clock hours)

Course materials are not included in the tuition. Student will need to purchase notebooks, pens, pencils, etc. separately. Purchased books and other supportive materials are non-refundable/non-returnable. Tuition and fees do not include testing costs for certifications, licensures, and/or credential examinations. Above tuition rates are applicable to students enrolled on or after January 1, 2016. *Registration fees for students receiving U.S. Veterans benefits are $10.00.

As of 07/01/2019 institutional charges for the tuition charges are posted to the student tuition account on the basis of payment period by payment period. However, registration fee, books and supplies for the entire course, will be assessed and posted in the students tuition account within the first payment period. Subsequent charges will be posted as needed.

Re-Entry Policy

All students who withdraw in good standing may re-enter into the course of study without the loss of credit for prior hours and projects earned during the prior enrollment. If the student transferred to other institution before returning to ATI College, those hours and projects earned at that institution may be credited to the student for the new re-enrollment. Each re-entry is treated on an individual basis. ATI College reserves the right to reject students that had withdrawn from ATI College twice before.

Method of Payment

Students are expected to contribute from their own family resources toward the student’s cost of attendance. Payment plans are available from ATI College and/or, private lenders. Federal student financial aid is available to those that qualify to cover educational expenses. Financial aid may be in forms of grants (no repayment required) and student loans (must be repaid). It is the policy of this institution to request from the student whenever possible, to contribute toward their school charges by making monthly installments in accordance to their means. It is also our policy to discourage students from borrowing loan funds unless is necessary. All estimates of available funds from financial aid will be first used to cover institutional charges; if funds remain available, they will be disbursed directly to the student. For information on the aid programs, please contact the financial aid office. The entire educational expenses need to be included in planning the student’s ability to meet those expenses. All school charges must be paid in full before graduation.

California Cancellation and Refund Policies

Following are the key terms and conditions of the College’s cancellation and refund policies:

Student’s Right to Cancel:
1. You have the right to cancel your agreement for a program of instruction, without any penalty or obligations, through attendance at the first class session or the seventh day after enrollment, whichever is later. After the end of the cancellation period, you also have the right to stop school at any time, and you have the right to receive a pro rata refund if you have completed less than 60 percent of the scheduled days in the current payment period in your program through the last day of attendance.
2. Cancellation may occur when the student provides a written notice of cancellation at the following address: ATI College, 15141 Whittier Blvd., Suite 420, Whittier, CA 90603. This can be done by mail, email, or by hand delivery.
3. The written notice, if sent by mail, is effective when deposited in the mail properly addressed with proper postage. The written notice of cancellation need not take any particular form and, however expressed, is effective if it shows that the student no longer wishes to be bound by the Enrollment Agreement.
4. If the Enrollment Agreement is cancelled within seven days, the school will refund the student all monies paid, less a registration or administration fee, not to exceed $75, within 45 days after the notice of cancellation is received.

**THREE DAY CANCELLATION POLICY**

Applicants who have not visited the College prior to enrollment may withdraw without penalty within three business days following either the regularly scheduled orientation procedures or following a tour of the College facilities and inspection of equipment where training and services are provided. All monies paid by an applicant must be refunded if requested within three (3) days after signing an enrollment agreement and making an initial payment. A refund will be issued within forty-five (45) days of the cancellation date. An applicant requesting cancellation more than three (3) days after signing an enrollment and making an initial payment, but prior to entering the College, is entitled to a refund of all monies paid, minus the $75 registration fee.

**Withdrawal from the Program**

You may withdraw from the school at any time after the cancellation period (described above) and receive a pro rata refund for the current term if you have completed less than 60 percent of the scheduled days through the last day of attendance in that term. The refund will be less a registration fee, not to exceed $75, and less any deduction for equipment not returned in good condition, within 45 days of withdrawal. If the student has completed more than 60% of the period of attendance for which the student was charged, the tuition is considered earned and the student will receive no refund.

For the purpose of determining a refund under this section, a student shall be deemed to have officially or unofficially withdrawn from a program of instruction when any of the following occurs: 1. The student notifies the institution of the student’s withdrawal (official, voluntary withdrawal). 2. The institution terminates the student’s enrollment for failure to maintain satisfactory progress, failure to abide by the rules and regulations of the institution, absences in excess of maximum set forth by the institution, and/or failure to meet financial obligations to the school (official, involuntary withdrawal). 3. The student has failed to attend classes for 14 consecutive calendar days (unofficial, involuntary withdrawal). 4. The student fails to return from a leave of absence (unofficial, involuntary withdrawal).

For the purpose of determining the amount of the refund, the date of the student’s withdrawal shall be deemed the last date of recorded attendance. For the purpose of determining when the refund must be paid, the student's date of determination will be no later than 14 consecutive days from the student's LDA.

For programs beyond the current "payment period," if a student withdraws prior to the next payment period, all charges collected for the next period will be refunded.

If any portion of the tuition was paid from the proceeds of a loan or third party, the refund shall be sent to the lender, third party or, if appropriate, to the state or federal agency that guaranteed or reinsured the loan. Any amount of the refund in excess of the unpaid balance of the loan shall be first used to repay any student financial aid programs from which the student received benefits, in proportion to the amount of the benefits received, and any remaining amount shall be paid to the student. If the student has received federal student financial aid funds, the student is entitled to a refund of moneys not paid from federal student financial aid program funds.

The College participates in federal financial aid. For students who have received Title IV financial assistance, the Federal Return of Title IV Funds calculation (described below) will be completed first and applicable funds returned. Returned funds will be reduced from the payments received on behalf of the student before applying the institutional refund policy to determine whether the student is owed a refund or if a balance is owed to the College. If a balance is owed to the College, you will have to make arrangements to pay it.

**Federal Return to Title IV (R2T4) Policy**

A recipient of Federal Title IV financial aid who withdraws from school during a payment period or period in which the student began attendance will have the amount of Title IV funds he or she did not earn 35 calculated according to federal regulations (34 CFR 668.22). Any student who withdraws will have his/her Pell Grant recalculated based on the number of credits the student attempted.

A determination of the percentage of the payment period the student has completed, which is used to calculate the amount of Title IV financial aid the student has earned, will be based on the number of days the student completed up to the last date of attendance, divided by the total days in the payment period. Any break of 5 days or more is not counted as part of the days in the term.
The percentage is multiplied by the amount of Title IV financial aid for the payment period for which the Title IV financial aid was awarded to determine the amount of Title IV financial aid earned. The calculated amount of aid earned is rounded to the one-hundredth decimal. The amount of Title IV financial aid earned and the amount of Title IV financial aid not earned will be calculated based on the amount of Title IV financial aid that was disbursed or could have been disbursed for the payment period upon which the calculation was based. After the 60 percent point in the payment period, the student will have earned 100 percent of the federal financial aid funds already disbursed to him/her.

Once the amount of Title IV financial aid that was not earned has been calculated, federal regulations require that the school return a portion of the unearned funds equal to the lesser of the institutional charges multiplied by the unearned percentage of funds or the entire amount of unearned funds in the following order:

1. Unsubsidized Federal Stafford Loans
2. Subsidized Federal Stafford Loans
3. Federal PLUS Loans
4. Federal Pell Grants
5. Federal Supplemental Educational Opportunity Grants (FSEOG)
6. Other Title IV Programs
7. Student

If the amount of unearned Title IV financial aid disbursed exceeds the amount that is returned by the school, the student (or parent, if a Federal PLUS Loan) must return or repay, as appropriate, the remaining amount. Any loan funds that must be returned by the student (or parent for a PLUS Loan) are repaid in accordance with the terms and conditions of the promissory note. If the student is required to return unearned grant funds, the student is required to return the amount of the unearned grant funds that exceeds 50 percent of the grant funds received. If the amount disbursed to the student is less than the amount the student earned, he or she is eligible to receive a post-withdrawal disbursement (PWD) of the earned aid that was not received. The school will notify the student and/or parent of post-withdrawal disbursement once an amount can be determined (calculation is performed within 30 days from date of the institution’s determination that the student withdrew). The school will offer any PWD that is due within 180 days of the date that the school determined that the student withdrew. The school must get the student’s permission before it can disburse PWD loan funds (written notification provided to the student). The student may choose to decline some or all of the PWD loan funds. No PWD of loan funds will be made if the student does not respond within 30 days of the written notification date.

For the purpose of determining when the refund must be paid, the date of the institution’s determination that the student withdrew should be no later than 14 days after the student’s last day of attendance, as determined from the College’s attendance records. Unearned funds will be returned within 45 days from date of determination.

**Academic Transcripts**

To request an official transcript of all courses you have previously registered with ATI COLLEGE, student must complete (include your signature) and return Form Academic Transcript Request to ATI COLLEGE, Attention: Student Services Department, Subject: Transcripts at 15141 Whittier Blvd., Suite 420, Whittier, CA 90603. If paying by credit card, you may submit request form via fax to (562) 864-7806. Otherwise, please include a check or money order made payable to ATI COLLEGE and send to above address. The cost for each official transcript is $10.00.

**Note:** Most colleges and universities prefer an original transcript to be mailed directly to them. Please include a contact name or department when requesting transcripts to be sent directly to an educational institution. Please allow 5 to 10 working days to process your transcript.

**Rules and Regulations**

**Professional Conduct of Student**

An important element of the training at ATI includes the development of professionalism. The high standards maintained in ATI programs prepare each student to meet the highest expectations of employers. College expects students to conduct themselves in a socially acceptable manner at all times. Students indulging in the following types of misconduct are subject to immediate dismissal:

- Any type of dishonesty, including cheating, plagiarism, knowingly furnishing false information to institution, forgery, alteration or use of institution identification documents with the intent to defraud.
- Intentional disruption or obstruction of teaching, administration, disciplinary proceedings, public meetings and programs, or other school activities.
Disciplinary Policy
All students of ATI College are expected to conduct themselves in accordance with applicable laws, regulations, departmental policies and generally acceptable college behavior. The examples listed under the Professional Conduct of Student are to be used as a guide and are not intended to be all-inclusive. At the occurrence of any offense, the appropriate discipline shall be determined after the particular circumstances of the case have been carefully considered. Generally, students will be allowed three formal warnings as steps towards disciplinary actions and will be dismissed on the fourth offense. However, all terminations will be determined on an individual basis and certain offenses may result in immediate dismissal without warning.

Professional Dress Standards
Important part of the training at the college includes the development of professional attitudes and behaviors. Prospective employers seek employees who will be positive additions to their companies. Therefore, we at ATI have created a “work-like” environment in which our students can grow and develop according to these professional expectations. Learning how to communicate and deal with different situations, coping with frustration, skills to solving problems, disciplining oneself and dressing professionally are just few of the ingredients that go into the makeup of a “professional”. In these areas we have high standards because we are committed to preparing our students for the highest expectations of our employers.

Maximum Number per Classroom & Laboratory Policy
Maximum number of student to classroom and laboratory at all ATI College campuses is 20.

Student Information Updates
It is student’s responsibility to notify the school when student information requires updating (i.e. new address, phone number, E-mail). No particular form is required when submitting these changes to the school. However, Student Information Update Form is recommended.

Special Instructional Assistance
Individuals who have occasional difficulty with study are urged to seek assistance from their instructor. Additionally, tutoring is available outside of normal class time. Contact the student service department at the school for more information.

Guidance
College provides guidance services for students depending on their individual needs. Assistance in program selection and career planning is available at the student service department. Students encountering problem which interferes with their education are encouraged to bring these problems to attention of their instructor or the student service coordinator. College recognizes the existence of external factors, which may interfere with study of program, such as physical or substance abuse. For those students trying to deal with substance problem, student service coordinator is available for advising. College also offers referral services through local agencies. Key element is that the student must take the initiative to ask for assistance.

Reinstatement Policy
Terminated, dismissed or individuals out for personal reasons may be reinstated with an approval from the school director. After student has remained outside of school for at least six (6) months and has taken steps to meeting the SAP requirements in academic, personal, and any other critical situations, student may file Reinstatement Request for review. Conditions are determined and reviewed on individual basis. Please submit request in person or via fax to admissions.
department at 15141 Whittier Blvd., Suite 420, Whittier, CA 90603. Once reinstated, student’s financial aid may be re-instated when and if student satisfies the school SAP requirements.

✓ **Vaccination Policy**

Although ATI College does not have a universal student vaccination policy required of all students, the National Center for Disease Control recommends that all adults comply with the following vaccination schedule:

✓ **Health and Safety Exemption Requirement**

ATI College adheres to all requirements pertaining to the protection of student information. However, there are limited exceptions to FERPA regulations under which ATI College is permitted to disclose education records or personally identifiable, non-directory information from education records in connection with a health or safety emergency without student consent. The situation must present imminent danger to a student, other students, or members of the school community in order to qualify as an exception. This action is not taken lightly and only under circumstances that present imminent danger.

✓ **Misrepresentation**

To ensure that the nature of educational programs is not misrepresented, such information including but not limited to the policies and procedures, program description, tuition information, and various financial aid information are delineated in this catalog and college website. All academic programs are reviewed as part of our institution’s Program Advisory Committee Review process. Programs undergo a complete evaluation annually. Needs requests in various areas may be evaluated annually (personnel, facilities, equipment, supplies, technology).

✓ **Student Tuition Recovery Fund (STRF)**

The State of California established the Student Tuition Recovery Fund (STRF) to relieve or mitigate economic loss suffered by a student in an educational program at a qualifying institution, who is or was a California resident while enrolled, or was enrolled in a residency program, if the student enrolled in the institution, prepaid tuition, and suffered an economic loss. Unless relieved of the obligation to do so, you must pay the state-imposed assessment for the STRF, or it must be paid on your behalf, if you are a student in an educational program, who is a California resident, or are enrolled in a residency program, and prepay all or part of your tuition. You are not eligible for protection from the STRF and you are not required to pay the STRF assessment, if you are not a California resident, or are not enrolled in a residency program.

It is important that you keep copies of your enrollment agreement, financial aid documents, receipts, or any other information that documents the amount paid to the school. Questions regarding the STRF may be directed to the Bureau for Private Postsecondary Education, 1747 North Market, Suite 225, Sacramento California 95834, (916) 431-6959 or (888) 370-7589. To be eligible for STRF, you must be a California resident or enrolled in a residency program, prepaid tuition, paid or deemed to have paid the STRF assessment, and suffered an economic loss as a result of any of the following:

1. The institution, a location of the institution, or an educational program offered by the institution was closed or discontinued, and you did not choose to participate in a teach-out plan approved by the Bureau or did not complete a chosen teach-out plan approved by the Bureau.
2. You were enrolled at an institution or a location of the institution within the 120 -day period before the closure of the institution or location of the institution, or were enrolled in an educational program within the 120 day period before the program was discontinued.
3. You were enrolled at an institution or a location of the institution more than 120 days before the closure of the institution or location of the institution, in an educational program offered by the institution as to which the Bureau determined there was a significant decline in the quality or value of the program more than 120 days before closure.
4. The institution has been ordered to pay a refund by the Bureau but has failed to do so.
5. The institution has failed to pay or reimburse loan proceeds under a federal student loan program as required by law, or has failed to pay or reimburse proceeds received by the institution in excess of tuition and other costs.
6. You have been awarded restitution, a refund, or other monetary award by an arbitrator or court, based on a violation of this chapter by an institution or representative of an institution, but have been unable to collect the award from the institution.
7. You sought legal counsel that resulted in the cancellation of one or more of your student loans and have an invoice for services rendered and evidence of the cancellation of the student loan or loans. To qualify for STRF reimbursement, the application must be received within four (4) years from the date of the action or
event that made the student eligible for recovery from STRF. A student whose loan is revived by a loan
holder or debt collector after a period of non-collection may, at any time, file a written application for
recovery from STRF for the debt that would have otherwise been eligible for recovery. If it has been more
than four (4) years since the action or event that made the student eligible, the student must have filed a
written application for recovery within the original four (4) year period, unless the period has been extended
by another act of law.

However, no claim can be paid to any student without a social security number or a taxpayer identification
number.

**Financial Aid Mechanism**

Financial aid is a mechanism that reduces out-of-pocket costs that the student and/or parents must pay to obtain a specific postsecondary education. Presented differently, financial aid is money made available to help students meet the cost of college attendance. Financial aid includes grants and loans. Grants do not have to be repaid. Loans usually have low interest rates that a student must repay in accordance to the individual loan program terms. Most of the loans can be arranged to require payment after a grace period of several months upon graduation, or upon the student’s termination from the program or if a student’s attendance falls below half time. Financial aid is awarded to students who have “need”. Need is the difference between the amount of money that the family will be expected to contribute to meet student costs and the cost of education at this school.

If a student obtains a loan to pay for an educational program, the student will have the responsibility to repay the full amount of the loan plus interest, less the amount of any refund, and that, if the student has received federal student financial aid funds, the student is entitled to a refund of the moneys not paid from federal student financial aid program funds.

**Compliance Statement**

The Federal Privacy Act of 1974 requires that students be notified that the disclosure of his/her social security number is mandatory. The social security number is used to verify students’ identities, to process the awarding of funds, the collection of funds, and the tracing of individuals who have borrowed funds from federal, state or private programs.

**The U.S. Department of Education Title IV Student Financial Aid Programs**

The college is approved for, and does participate in the following USDE Title IV programs intended to defray the costs of attending for those students eligible for financial aid considerations:

- **GRANT (FREE) AID - (This aid does not have to be repaid)**
  - Federal PELL Grant Program (FPELL) **$6095 maximum annual limit** (Does not require repayment)
- **LOANS TO STUDENT AND/OR PARENT REPAID! THESE LOANS ARE NOT DISCHARGED BY BANKRUPTCY**
  - **Direct Federal Stafford LOANS**
    - Subsidized loans (Interest earned while in school and during grace period is covered by the USDE)**.
• Unsubsidized loans (Interest earned while in school and during grace period may be delayed until the repayment period and will be added to the loan balance).**
• Parent loans (PLUS) (Interest due from parents as last disbursement on a loan is made)

STUDENTS ARE ENCOURAGED TO KEEP THEIR LOAN DEBT AS LOW AS POSSIBLE. THESE LOANS ARE AGGRESSIVELY COLLECTED BY THE USDE AND ITS CONTRACTORS. INTEREST LIABILITY ON LATE PAYMENTS IS VERY EXPENSIVE. LACK OF PAYMENT IS A VERY DAMAGING TO CREDIT HISTORY AND FUTURE BORROWING POWER.

(*) Funds are limited in nature; therefore awards are based on availability of funds at the school.
(**) Annual loan limits and based on educational levels within the course of enrollment.

Loan levels are specifically designated to the course of study at this institution. For example, if the student attended two years at a community college, but it enrolls in a course that is one academic year long without any transfer hours, the correct student level will be 1 and not 3rd loan level.

For more specific information on each program please refer to the student guides available at Student Guide
Direct Loan Basics for Students
Direct Loan Basics for Parents PDF Spanish version PDF [3MB]

Student Eligibility Requirements
To be eligible for financial aid, a student must:
• Be admitted as a regular student;
• Be enrolled or accepted for enrollment in an eligible program;
• Be a citizen or an eligible non-citizen;
• Not owe a refund on a FPELL Grant or FSEOG at any school;
• Not be in default on a Perkins Loan or Stafford Loan/SLS/PLUS/Direct Loan at any school;
• Have financial need;
• Be making satisfactory progress (as defined by the school’s policy) in the course of study;
• Be registered for selective service (if a male between the age of 18-25);
• Have signed a statement of educational purpose;
• Have signed a statement of updated information;
• Have a High School Diploma, (or its equivalent) a GED, or upon satisfaction of eligibility requirements to be determined by the Director of Admissions, have demonstrated the ability-to-benefit from Financial Aid;
• Agree to use any federal student aid received solely for educational purposes.

Application for Aid, Procedures & Forms
Financial aid applications for this institution consist of the following:
Free Application for Federal Student Aid (FAFSA) this form needs to be completed as instructed on the form. Documentation to substantiate the data entered on the form may be required by the financial aid office. Forms and assistance in completing them are available at this school during school hours. In addition to the FAFSA, the institution requires a series of forms as they apply to the individual student aid program and to the student’s individual family circumstances.

Federal Pell Grant Program: Funds received under this program are not subject to repayment from the student.
Deadline: FAFSA applications must be received by June 30 in the year on which the application is intended for. SAR or ISIR must be submitted to the financial aid office by September 29, of the award year from which aid is requested from, or your last day of enrollment in 2018-2019, whichever comes first. A valid ISIR requires signatures of student, spouse and/or parents, when the ISIR has been corrected.
Renewal Process: A FPELL Grant award is received for one award year (July 1 to June 30 of the following year), and is not automatically renewed for the next award year. Students must re-apply for the FPELL Grant and submit a copy of the new SAR or ISIR to the financial aid office for each award year.
Maximum Annual Award: $6,095
Disbursement: They are made based on per payment period via a direct credit to the student’s tuition account.

Federal Supplemental Educational Opportunity Grant (FSEOG)
Funds received under this program are not subject to repayment from the student.
Deadline: You may apply during the enrollment process, using the FAFSA form. The school will provide you a letter listing the amount and types of financial aid you will be awarded, including the FSEOG award.
Maximum Annual Award: $4,000
Disbursement: Made based on per payment period via a direct credit to the student’s tuition account. Priority for FSEOG funds will be given to students eligible for Pell Grant. This institution has a year-round enrollment. Therefore, funds will be awarded in a manner that funds would be available to students enrolling throughout the entire year. If SEOG funds are still available, a second priority will be given to Non-Pell recipient students with the lowest Expected Family contributions enrolled during the last three months.

Federal William D. Ford Direct Loan Program
Funds received from either of the loan programs are subjected to repayment from the student. Before a loan document is submitted to the USDE, students must be fully aware of the financial responsibilities under these loan programs, the rights that the student has under the individual loan program conditions, and the consequences of failing to meet the repayment obligations.

Federal Direct Subsidized Loan
Federal Direct Subsidized Loans are made directly to students from the U.S. Department of Education. Subsidized loans are need based. Students may borrow up to the amount of the student’s cost of attendance less other expected financial assistance (not to exceed annual loan limits). The Federal Government pays interest subsidies while the student is enrolled or during periods of deferment. Student would pay a combined origination/guaranty fee of a variable percentage but not to exceed 3% rebated directly to the U.S. Department of Education. Students may receive both subsidized and Unsubsidized loans provided the combine amount borrowed does not exceed applicable loan limits and that the student’s eligibility for a subsidized Federal Stafford Loan be determined prior to determining eligibility for the Unsubsidized loan. The law also stipulates that borrowers may apply for both subsidized and unsubsidized loans using a single application and that such borrowers must be given a single repayment schedule.
Maximum Annual Award: First level $3,500, Second level $4,500, Third level $5,500 (Max aggregate $23,000)

Federal Direct Stafford Unsubsidized Loan
These loans expand the ability of the U.S. Department of Education to make “Unsubsidized” Federal Stafford Loans to students. These loans carry many of the same terms and conditions associated with subsidized Federal Stafford Loans with the following two exceptions:

(1)Unsubsidized loans are not need based. Students may borrow up to the amount of the student’s cost of attendance less other expected financial assistance (not to exceed annual loan limits).
(2)The Federal Government does not pay interest subsidies to the lender while the student is enrolled or during periods of deferment. Interest must be paid or capitalized, i.e., added to the principal.

Deadlines: Applications need to be submitted at least 30 days before the end of the loan period for which the loan has been requested. The student is responsible in locating his or her own lender that participates in the FFEL Loan Program.
Maximum Annual Award:
Dependent student: with Parent loan First level $2,000, Second level $2,000, Third level $2,000 (Max aggregate $8,000)
Dependent student without Parent loan or independent students: First level $6,000, Second level $6,000, Third level $7,000 (Max aggregate $14,000)
Disbursement: Checks are issued to the school and credited to the student’s tuition account. It is the student’s responsibility to submit all required forms and documentation to the financial aid office before disbursement. For additional information, read the pamphlet "Direct loan Entrance Interview"

Determining Need
The information you report on the FAFSA form when you apply for aid, is used in a formula established by U.S. Congress that calculated your Expected Family Contribution.

ATI College utilizes the Free Application for Federal Student Aid (FAFSA) for students applying for aid. This form will be processed by a contractor of the U.S. Department of Education at no cost to the student. The results will be provided in the form of an Electronic Student Aid Report with the calculation of the Expected Family Contribution.

Cost of Attendance
This institution uses the annual budgets published by the CALIFORNIA STUDENT AID COMMISSION. The estimate amount it will cost a student to go to school during an academic year of approximately 9 months is stated below.
The following definitions correspond to some common terms used within the financial aid terminology:

- **ACADEMIC YEAR**: A period of not less than 26/30 weeks of instructional time with a minimum of 900 clock hours/24 Semester credit hours/36 Quarter credit hours of instruction for a full-time student. The midpoint of the academic year shall be a minimum of 13/15 weeks and at least 450 clock hours/12 semester credit hours/36 quarter credit hours. In effect, all students enrolled in courses with an academic year scheduled to be completed in less than 26/30 weeks, regardless of the number of clock hours/Semester credit hours/Quarter Credit Hours offered, would have aid eligibility reduced in proportion to the number of weeks and hours in the course of study in relation to the academic year.

- **CLOCK HOUR**: A period of 50 to 60 minutes of supervised instruction during a 60 minute time period.

- **COST OF ATTENDANCE**: Institutional charges for tuition, fee, books and supplies in addition to an estimated cost to the student for living allowances as room, board, transportation and personal combined compose the cost of attendance for an academic year or less as the cost of attendance or educational budget.

- **CREDIT BALANCE**: A credit balance occurs when tuition payments using Title IV funds have been received by the institution in excess of the amount of charges assessed to the student. Credit balances are paid within 14 business days from
the day the credit balance was generated. Students must be responsible for budgeting their own funds and for securing that the funds are used for education related expenses.

- **DEPENDENT STUDENT**: She/he is an individual that does not meet the independent student criteria. This student is required to submit with his/her application, student and parents’ income and assets data.

- **DEPENDENT**: She/he is an individual other than the spouse that has been supported and will continue to be supported (50% or more of that individual personal expenses) by the student and/or spouse. If that individual is and will continue to be supported by the student parent(s), that individual would be a dependent of the parent(s) **NOT** a dependent of the student.

- **EXPECTED FAMILY CONTRIBUTION (EFC)**: Is the application of the U.S. Congressional formula to the student’s family income and assets entered in the FAFSA and used as the calculated amount that a family is expected to contribute to offset the student cost of attendance.

- **FINANCIAL AID ELIGIBILITY CITIZEN/ELIGIBLE NON-CITIZEN**: You must be one of the following to receive federal student aid:
  - U.S. Citizen
  - U.S. National
  - U.S. permanent resident who has an I-551 or I-551C (Alien Registration receipt card).
  - Arrival Departure Record (I-94) from the Department of Homeland Security showing one of the following designations:
    - Refugee
    - Asylum Granted
    - Parole for a minimum of one year that has not expired
    - T-Visa holder (T-1, T-2, T-3 etc)
    - Cuban-Haitian entrant
    - Holder of a valid certification or eligibility letters from the Department of Human Services showing a designation of “Victim of Human Trafficking”

**IF YOU ARE IN THE U.S. UNDER ONE OF THE FOLLOWING CONDITIONS, YOU ARE NOT ELIGIBLE FOR FEDERAL AID:**
  - F1 or F2 student visa
  - J1 or J2 exchange visitor visa only
  - G series visa (pertaining to international organizations)

- **INDEPENDENT STUDENT**: An individual who meets one of the following criteria:
  1. **46.** Were you born before January 1, 1995?
  2. **47.** As of today, are you married? (Also answer “Yes” if you are separated but not divorced.)
  3. **48.** At the beginning of the 2018-2019 school year, will you be working on a master’s or doctorate program (such as an MA, MBA, MD, JD, PhD, EdD, graduate certificate, etc.)?
  4. **49.** Are you currently serving on active duty in the U.S. Armed Forces for purposes other than training?
  5. **50.** Are you a veteran of the U.S. Armed Forces?
  6. **51.** Do you now have or will you have children who will receive more than half of their support from you between July 1, 2018 and June 30, 2019?
  7. **52.** Do you have dependents (other than your children or spouse) who live with you and who receive more than half of their support from you, now and through June 30, 2019?
  8. **53.** At any time since you turned age 13, were both your parents deceased, were you in foster care or were you a dependent or ward of the court?
  9. **54.** As determined by a court in your state of legal residence, are you or were you an emancipated minor?  
    
    **See Notes page 10.**
  10. **55.** Does someone other than your parent or stepparent have legal guardianship of you, as determined by a court in your state of legal residence?
  11. **56.** At any time on or after July 1, 2017, did your high school or school district homeless liaison determine that you were an unaccompanied youth who was homeless or were self-supporting and at risk of being homeless?
  12. **57.** At any time on or after July 1, 2017, did the director of an emergency shelter or transitional housing program funded by the U.S. Department of Housing and Urban Development determine that you were an unaccompanied youth who was homeless or were self-supporting and at risk of being homeless?
  13. **58.** At any time on or after July 1, 2017, did the director of a runaway or homeless youth basic center or transitional living program determine that you were an unaccompanied youth who was homeless or were self-supporting and at risk of being homeless
• **PARENT(S):** For the purposes of the financial aid programs, “a parent” is the biological mother and/or father or adoptive parents, and stepparent. Grandparents, foster parents, legal guardians, older brothers or sisters, and aunts and uncles are not considered parents unless they have legally adopted you.

• **PAYMENT PERIOD:** 450 clock hours and 13 weeks for courses of 900 hours and 26 instructional weeks or more. It is the mid-point of the program for courses of less than 900 hours and 26 weeks.

• **PROFESSIONAL JUDGMENT:** Professional judgment is applied on a case-by-case basis after individual review of the student's situation. Generally professional judgments are limited to financial or personal situations which arise that were beyond the student’s control. The student is required to submit a written statement explaining in detail the students’ current situation and supporting documentation to substantiate a change in status, household size or income. The information is then analyzed and documented in the students file, the FAO then makes the necessary adjustments to reflect the students’ current situation.

• **Dependency Overrides:** Financial aid administrators have the authority, through Section 480(d)(7) of the Higher Education Act, to change a student's status from dependent to independent in cases involving unusual circumstances. When a student informs the Financial Aid Office of such circumstances the financial aid office will request proof from the student to document the file and will analyze all proof to make the determination, the FAO will request written statement explaining the unusual circumstances in detail from the student, one from an adult relative, and one from a third party e.g., teacher, counselor, church pastor. We have identified circumstances that do merit a dependency override. These can include the following:

1. An abusive family environment (e.g., sexual, physical, or mental abuse or other forms of domestic violence)
2. Abandonment by parents
3. Incarceration or institutionalization of both parents
4. Parents lacking the physical or mental capacity to raise the child
5. Parents whereabouts unknown or parents cannot be located
6. Parents hospitalized for an extended period
7. An unsuitable household (e.g., child removed from the household and placed in foster care)
8. Married student's spouse dies or student gets divorced
9. Violence, including physical abuse against the children or the spouse.
10. Sexual abuse.
11. Emotional abuse.
12. Use of abusive language, including name-calling.
13. Failure to properly clothes or feed the family.
14. Attempts to commit suicide by one or more family members.

• **NEED:** Financial need is the amount left over after subtracting the expected family contribution from your cost of attendance.

• **WITHDRAWALS:** Students are officially withdrawn on date of notification, date terminated by the institution, date of three consecutive weeks of absences or date when the student failed to return from an approved leave of absence.

**Recoveries**
Recoveries resulting from unearned Title IV funds are due from the student and must be paid in accordance to the terms stated in the promissory note of the student loans. If funds from the grants programs are still due from the student, those funds are payable at the rate of 50%. Grant funds due from the student must be repaid within 45 days from the student's withdrawal date. Students may make repayment arrangements with the U.S. Department of Education within the 45 days and present proof of such arrangements to the institution. If no repayment is received nor arrangements are presented, the institution will refer the debt to the U.S. Department of Education. The student will no longer be eligible for aid until informed by the U.S. Department of Education.

**Refunds**
If any refunds are due based on the Return of Title IV calculation or the institutional refund policy calculation, any refunds will be made as soon as possible but not later than 45 days from the determination of withdrawal date in the order stated in section CFR 34 section 668.22. The order of payment of refunds is 1) Unsubsidized Loans from FFELP or Direct Loan, 2) Subsidized Loans from FFELP or Direct Loan, 3) Perkins Loans, 4) PLUS (Graduate Students) FFELP or Direct Loan, 5) PLUS (Parent) FFELP or Direct Loan, 6) Pell Grant, 7) Academic Competitiveness Grant (ACG), 8) National SMART Grant, 9) Federal SEOG. This order would apply in accordance to the aid programs available at the institution.

**Transfer Student**
A student, who attended a Post-secondary institution before the enrollment at ATI College is required to provide academic transcript(s) from each of the institutions attended within the last six months before the enrollment at this institution.
Verification Process

These regulations require schools to develop written policies and procedures for verification. The school is required to make these policies available to all applicants for financial aid, as well as prospective students upon request. This procedure is part of the Admissions and Counseling process.

To follow the regulations and achieve consistency governing this process, the following verification policies apply to all applicants for Title IV programs.

Under the regulations, the school will not disburse FPELL or Campus-Based aid, nor certify Stafford/PLUS loan applications, until completion of verification process.

- **WHO MUST BE VERIFIED:** The policy of this school shall be to verify those students selected by the need analysis (ISIR) system for verification.
- **VERIFICATION EXCLUSIONS:** Applicants excluded from verification include:
  - Death- Applicant dies during the award year or before the deadline for completing the verification.
  - Incarceration- Applicant is incarcerated at the time the verification is to be performed.
  - Certain immigration status- Applicant arrived in the U.S. during calendar years 2017-2018.
  - Certain spouse/parent status: - Spouse or parent information is not required to be verified if the spouse or the parent is deceased, or physically incapacitated, or residing in a country other than the United States and cannot be contacted by normal means, or can not be located because the address is unknown and can not be obtained by the applicant.
  - Completed verification- If the student completed the verification at another institution prior to transferring to this school if all the following documents are provided from that school:
    - Letter stating that the verification process was completed
    - Copy of the application data that was verified, and
    - If the student was awarded FPELL Grant, a copy of the signed SAR/ISIR.
    - A completed Financial Aid transcript.
  - Pacific Island residency status- Legal residents of the Trust Territory of the Pacific Islands, Guam, Samoa, and the Commonwealth of the Northern Mariana Islands. To qualify for this exclusion the parents of a dependent student must also be legal residents of one of these territories. Citizens of the Republic of the Marshall Islands, the Federated States of Micronesia or the Republic of Palau. To qualify for this exclusion the parents of a dependent student must also be citizens of one of these territories. To document the basis for this exclusion, the applicable permanent mailing address
  - No funds dispersed- The applicant will not receive federal aid funds,
- **REQUIRED VERIFICATION ITEMS:** Examine the data items listed in 34 C.F.R. 668.56. Different data items apply to different applicants depending upon student dependency status and the Title IV programs used.

Data items include:
- Total number of persons in the household.
- The number of members of household enrolled at least half-time students in postsecondary educational institutions.
- High School completion status
- Identity/Statement of Educational Purpose
- Adjusted gross income (AGI) or adjusted gross family income (AGFI) for the base year (2016).
- U.S. income tax paid for the base year (2016).
- Certain untaxed income and benefits for the base year if certain conditions would apply include:
  - Social Security benefits
  - Child support
  - Untaxed payments to IRA or Keogh
  - Foreign income
  - Earned income credit
  - Education Credit
  - Interest on tax free bonds
  - Supplemental Nutrition Assistance Program (SNAP, formerly food stamps)

The school shall resolve inconsistent application information for all applicants, in agreement with requirements of 34 C.F.R. Part 688.16(f).

- **DOCUMENTATION REQUIRED:** Student, spouse and/or parents (as applicable) are encouraged to use the IRS Data Retrieval tool when completing the FAFSA. For those selected for verification and were not able to use this tool, they are
required to submit a copy of the IRS Income Tax Transcript. Signed income tax forms (IRS 1040, 1040A, or 1040EZ 1040Telefile and W-2 forms) are only allowed under special circumstances as determined by Financial Aid. Applicants shall complete the appropriate sections of the Verification Worksheet 2018-2019. There are two different worksheets: One for dependent students and one for independent students. Use the worksheets to update and for verification of data. Applicants shall follow the instructions in the Verification Worksheet. The school’s financial aid officer may require/provide other appropriate forms.

- **TIME PERIOD FOR PROVIDING DOCUMENTATION:**
  Applicants must provide the required documentation within 30 days from the start date.

- **APPLICANT RESPONSIBILITIES:** To be eligible to receive Title IV funds, we require applicants to provide requested information during the time period(s) specified in these policies. Applicants must certify that the following data items are correct as listed on the original application; or, if not correct, must update the data items, as of the date of verification:
  * Number of family members in the household
  * Number of family members in the household now enrolled as at least half-time students on postsecondary institutions.
  * Change in dependency status.

  Federal PELL Grant applicants whose dependency status changes during the Award Year must file a correction application. This process does not apply if the change occurs due to marriage. Campus-based applicants whose dependency status changes during the Award Year must have their EFC recalculated. This process does not apply if the change occurs due to marriage. The applicant must repay any over award, or any award, discovered during verification, for which he/she was not eligible.

- **CONSEQUENCES OF FAILURE TO PROVIDE DOCUMENTING WITHIN THE SPECIFIED TIME PERIOD(S):** If the student cannot provide all required documentation, the school cannot complete the verification process within 30 days from the date of the request. The school must then advise applicants that they are not eligible for financial aid funds. The school then gives the applicants the following options:
  o The student may continue training on a cash payment basis.
  o The student may withdraw, and re-enroll at no additional charge. There will be no loss of credit earned, when the student provides all proof, and verification is complete.
  o The applicant must repay any over award or any award for which he/she was not eligible, discovered during verification.

- **INTERIM DISBURSEMENTS:** The school may not make any interim disbursements. The student must complete verification before disbursement of any Title IV funds.

- **TOLERANCES:** If there are non-dollar errors and if the errors in dollar items total less the $400, there is no requirement to recalculate the students EFC.

- **NOTIFICATION OF RESULTS OF VERIFICATION:** The school shall notify the applicant of the results of the verification process within 30 days of the student’s submission.

- **REFERRAL PROCEDURE:** The school shall forward to the Secretary of Education, referral of fraud cases.
Copyright Infringement Policy
Copyright Infringement - Summary of Civil and Criminal Penalties for Violation of Federal Copyright Laws.

Copyright infringement is the act of exercising, without permission or legal authority, one or more of the exclusive rights granted to the copyright owner under section 106 of the Copyright Act (Title 17 of the United States Code). These rights include the right to reproduce or distribute a copyrighted work. In the file-sharing context, downloading or uploading substantial parts of a copyrighted work without authority constitutes an infringement.

Penalties for copyright infringement include civil and criminal penalties. In general, anyone found liable for civil copyright infringement may be ordered to pay either actual damages or “statutory” damages affixed at not less than $750 and not more than $30,000 per work infringed. For “willful” infringement, a court may award up to $150,000 per work infringed. A court, in its discretion, also assess costs and attorneys’ fees. For details, see title 17, United States Code, Sections 504 and 505.

Willful copyright infringement can also result in criminal penalties including imprisonment of up to five years and fines of up to $250,000 per offense. For more information, please see the website of the U.S. Copyright Office at www.copyright.gov.

Peer-to-Peer File Sharing
Peer-to-Peer (P2P) file sharing is a general term that describes software programs that allow computer users, utilizing compatible P2P software, to connect with each other and directly access digital files from one another’s hard drives. Many copyrighted works may be stored in digital form, such as software, movies, videos, photographs, etc. Through P2P file sharing it has become increasingly easy to store and transfer these copyrighted works to others, thus increasing the risk that users of P2P software and file-sharing technology will infringe the copyright protections of content owners.

If P2P file-sharing applications are installed on your computer, you may be sharing someone else’s copyrighted materials without realizing you are doing so. As a user of the college network, recognizing the legal requirements of the files that you may be sharing with others is important. You should be careful not to download and share copyrighted works with others. The transfer and distribution of these works without authorization of the copyright holder is illegal and prohibited.

BUSINESS and PROFESSIONS CODE SECTION 4611
(a) It is an unfair business practice for a person to do any of the following:
(1) To hold himself or herself out or to use the title of “certified massage therapist” or “certified massage practitioner,” or any other term, such as “licensed,” “certified,” “CMT,” or “CMP,” in any manner whatsoever that implies or suggests that the person is certified as a massage therapist or massage practitioner, unless that person currently holds an active and valid certificate issued by the council pursuant to this chapter.
(2) To falsely state or advertise or put out any sign or card or other device, or to falsely represent to the public through any print or electronic media, that he or she or any other individual is licensed, certified, or registered by a governmental agency as a massage therapist or massage practitioner.
(b) In addition to any other available remedies, engaging in any of the prohibited behaviors described in subdivision (a) constitutes unfair competition under Section 17200.
Availability of Employees for Information Dissemination Purposes

ATI College is required to designate an employee or group of employees to assist enrolled or prospective students in obtaining all of the information specified below. If the College has designated one person for an area of responsibility, that person shall be available, upon reasonable notice, to any enrolled or prospective student throughout the normal administrative working hours listed. If more than one person, often an entire office, is designated, their combined work schedules have been arranged so that at least one of them is available, upon reasonable notice, throughout the normal administrative working hours listed.

Establishing, Maintaining, and Safeguarding of ATI College’s Information Security Program

Students have a right to know that their information is being kept in a secure environment that meets State and Federal standards.

ATI College carefully protects all nonpublic personal information in our possession regarding students and their families. The College will not release nonpublic, private, personal, or financial information about our students or applicants to any third party, except as specifically provided in this policy. The School will release certain nonpublic personal information to federal and state agencies, government contractors, student loan providers/servicers, and other parties as necessary for the administration of the federal student aid programs, for enforcement purposes, for litigation, and for use in connection with audits or other investigations. Disclosure is permitted to law enforcement or emergency services agencies in the performance of their duties or when student safety or health may be in jeopardy. The College will not sell or otherwise make available personal information for marketing purposes to any third party at any time.

The College employs office procedures and password-protected computer systems to ensure the security of paper and electronic records. The College does not disclose specifics of its internal security procedures to students or the general public to protect the effectiveness of those procedures. Access to social security numbers and other Personally Identifiable Information (PII) is strictly limited to those School Officials with a need-to-know. Each personnel are responsible for enforcement of this policy with regard to the information within his/her office. The Executive Director will be responsible for overall control of information release and will resolve any disagreements and make final decisions as necessary in accordance with this Policy.

ATI College’s information is an important asset that is critical to providing an effective and comprehensive learning environment, openly communicating ideas, providing outstanding community service, and supporting the college’s operations. This information includes sensitive and personal student, faculty, and staff data as well as the college’s operational data. To maintain effectiveness and protect individuals, the college’s information assets must be protected from misuse, unavailability, destruction, and unauthorized disclosure or modification.

The executive leadership of ATI College is committed to protecting the value of the college’s information assets. The Executive Director is charged with establishing and maintaining a program that preserves the confidentiality, integrity, and availability of information and information systems. This responsibility is addressed by:

- Continually assessing risks and defining appropriate protection strategies
- Complying with applicable legal and regulatory requirements
- Protecting the reputation, image and competitive advantage of the college
- Supporting College’s strategic mission and goals
- Maintaining partnership with administrative units, faculty, and staff to ensure a collaborative approach to information security

The members of ATI College in its entirety are responsible for the safeguarding of its information assets. Any suspected information security breach or issue should be reported immediately to the Executive Director’s attention.
